it gets pretty hard to finally say
goodbye.
The memories will always be there
but they fade in time.
There needs to be something which
will help us recall

COMPETITION COMPETITION COMPETITION

Attempting to gain something which was sought by another person at the same time is part of what high school was all about . . . COMPETITION

Whether it was in the physical or academic sense, the rivalry was always there. Competition took on many different shapes and terms, although many of them were not realized.

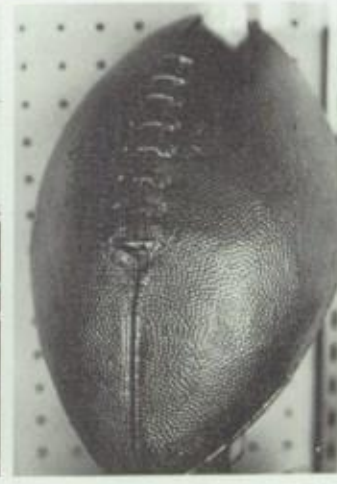

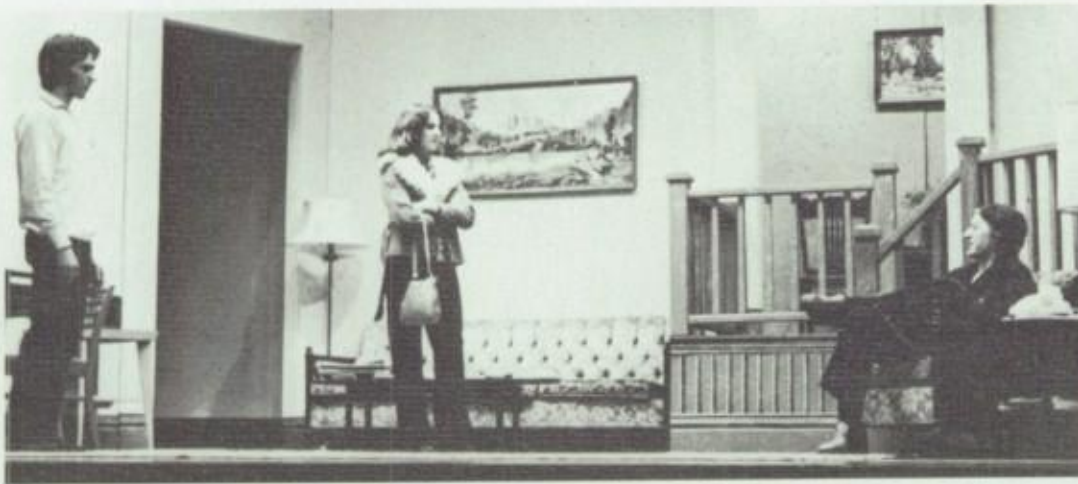

Sports will always be number one on the list, but along with football, field hockey, baseball, softball, basketball, wrestling, track, and tennis, we often neglected to consider cheerleading, band and majorettes as a form of competition.

Rivalry, however, did not exist solely between schools, but was also present within the school itself.

Academic competition played a vital role in the lives of many high school students. Class rank was a major stimulus for this form of competition. Our newly-formed scholastic scrimmage team brought a new form of competition to Nazareth Area Senior High School.

Competition is present all the time. We see it in the present, we see it when we

KNOWLEDGE KNOWLEDGE KNOWLEDGE

What was the basic idea behind 12 years of school? For many of us it took until our senior year to realize that the goal was the clear perception of information, truth, and fact; in other words . . . knowledge.

Struggling through calculus, German or French, and even physics and chemistry was not the only way we learned. Whether it was exchanging class pictures, gossiping at lunch, or experimenting in ways to cut class, we were all gaining knowledge, and not just through books and lectures.

High school was a time for growing, and perhaps it was one of the most influencing times of all. What we did and learned, then, surely affected the plans we made for our lives after we were graduated. There is no way we can examine the present without some sort of

ACTIVITIES ACTIVITIES ACTIVITIES

No one can sit down with a copy of a high school yearbook and flashback to those years without remembering the activities they participated in at some time or another.

Whether it was attending class or trying to "knock off" it was all a part of high school.

Whenever someone remembers high school activities it is usually the major events which stand out. Some of the year's big moments were during homecoming, the pep rallies, Greaser Day, the prom, the senior class festival, and, of course, who can forget the senior class trip. Dances were always fun to attend and the sporting events were always exciting. After all, who can forget the 9-1 football record which gave us the LNL championship.

Aside from the major activities were the small happenings which no one usually placed too much importance upon, but they were there none the less. Maybe it was only searching for a desperately needed library book, helping a friend do homework, going to lunch, or buying candy at the student store; they were all a part of life which will be remembered; they will always bring memories which

VICTORY CLIMAXES WEEKS OF ANTICIPATION AND TEAMWORK

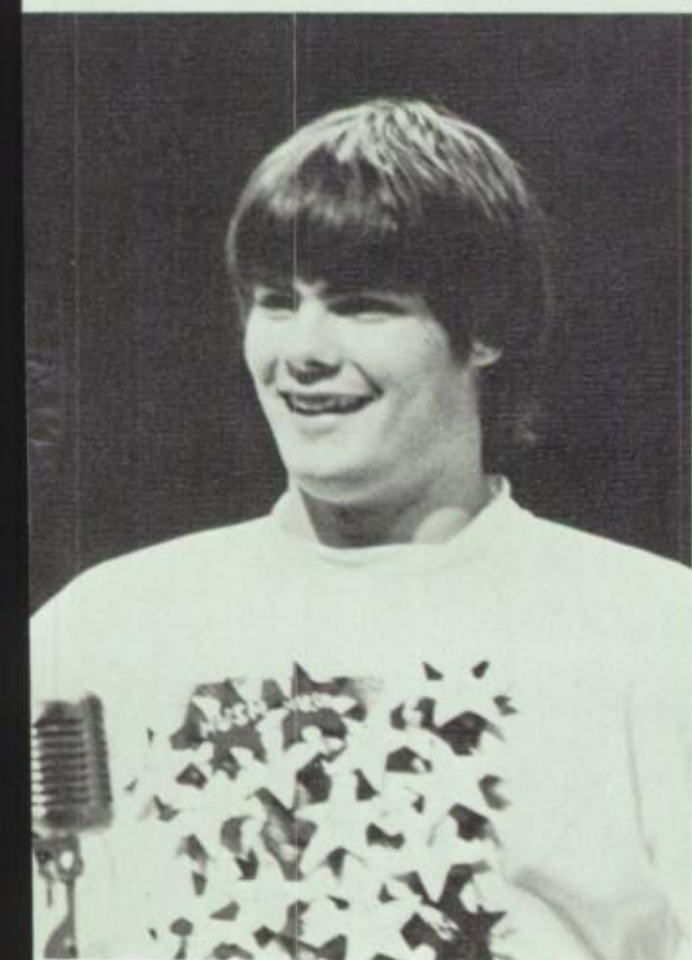

We had two nights to put that fantastic show together. Becky Hontz and Paul Hommer spent weeks trying to arrange things, but at rehearsals all organization disappeared. Heaps of clothing and cornstalks crowded the already confused lavatories, and backstage rang with shouts and laughter.

When the day came, excitement was at a peak. Thanks should go to the Sophomores, who good naturedly absorbed a lot of it, and also to the teachers, who will only put up with such antics once a year.

A receptive, involved audience put everyone at ease, and set the pace for an exciting and most memorable weekend. The guys won the game, friendships were made and strengthened, and good times were had by all. That more could Homecoming be?

TOP RIGHT: Kathy, Eric, and Donald Duck display some of the excitement that was everywhere during this year's Disney Homecoming. CENTER: Deb Payonk, Pep Club president, starts off the traditional pep rally with a challenge to each class. LOWER RIGHT: The Hockey Team's talent doesn't end on the field, as they open the assemblies with puns and confusion.

TOP LEFT: After tough competition, Senior spirit came out on top. CENTER LEFT: Every Sophomore faced initiation with worried excitement, but the executioners singled out Jeff, Mike, Chris, and Randy. CENTER: Even though he wasn't chosen head major-ette, "Tootie" still drew shouts, whistles, and laughter from the rowdy students. HOMECOMING '74 SPARKS IMAGINATION AND COOPERATION

Never again will we feel the closeness, the cooperation of Homecoming '74. Crowds at Karch's, Spinozzi's, and Kraemer's yielded fun, hard work, and cheerful floats.

Disagreements over the court and Mr. Irresistible brought Seniors to a boiling point, but assured careful choices. Regardless, Homecoming '74 brought emotion to us all. Proud of ourselves, our team, our spirit. Grateful for friends and good times, but a little sad that it was all over so soon.

MAJORETTES AND DRILL SQUAD AID IN FUND- RAISING AND MORALE

This year's majorette, color guard, flag, and banner squads came out in brand new uniforms—and they were richly deserved. The entire band could be seen at 7:00 a.m. on even the coldest of mornings during fall and spring practices sprucing up for half-time shows and other competition.

Hours of drilling brought the newly enlarged flag and rifle team precision and excellence. The girls competed along with the marching band in many parades and festivals and worked long and hard to raise money and perfect routines for the Blossom Festival which was held in Niagara Falls.

BAND PROVIDES ENTERTAINMENT FOR SPECTATORS

Our 1974-1975 version of the Blue Eagle Marching Band had all the spirit, patience, and ability to get things rolling again in the music field. An outstanding performance at Temple University early in the year earned the group many invitations to perform throughout the country.

Director Philip George is one great believer in practice, so practice they did—at 7:00 A.M. and 10:00 P.M. "There's nothing we can't achieve if we try," he says. Band members and spectators alike have agreed that our band looks and performs better than ever.

EAGLES BEAM WITH PRIDE

After many 7:00 morning practices, hundreds of hours of preparation, and 4,222 pizzas, the marching band made their long-awaited trip to the annual Blossom Festival Parade at Niagara Falls and Canada.

As they crossed the Niagara River, the band members got their first glimpse of the American and Canadian Falls. The breathtaking views of the Falls were complemented by many ooohs and ahhs.

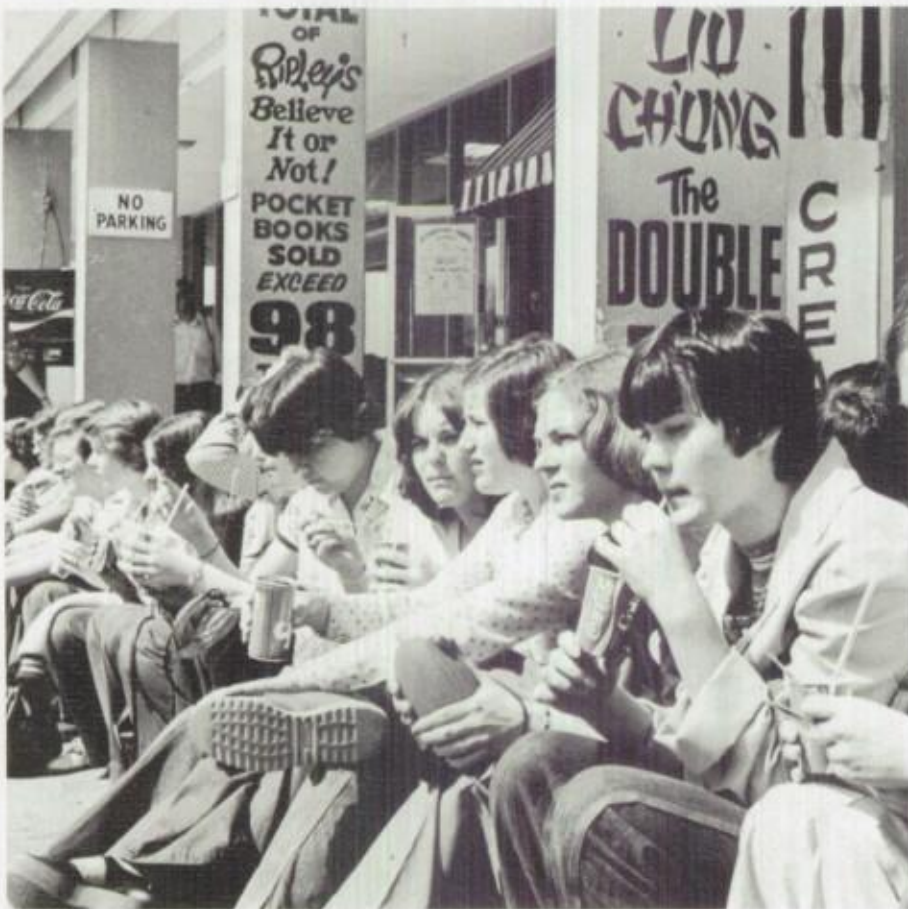

Our first evening ended with a visit to the Skylon Tower at which time we enjoyed a more picturesque view of the Falls.

A hectic second day was highlighted by the parade, despite the fact it took 3 1/2 hours until our band finally began to march. The 3-mile parade followed the River Road and right through the mist of the Falls.

Reward for all the hard work came at dinner time, when our director, Mr. George, came running in to Leo's Pancake House hugging both the Band's second place trophy and the majorettes fifth place trophy. Crying, screaming, hugging, and cheering filled the dining room.

Due to the late arrival in Nazareth, a planned victory parade through town was cancelled, but a welcoming crowd, a police escort, honking bus horns, screaming, yelling, and cheering made the trip a joyous and sad occasion—joyous for the recognition, victory, and experience, but sad for the seniors who realized this was their last trip with the Blue Eagle Marching Band.

BANQUET PUTS FINISHING TOUCH ON BAND'S FANTASTIC SEASON

Buskhill Township Fire Hall May 24, 1975, marked the close of a busy, successful, and satisfying season for the Blue Eagle Marching Band. The seventh annual band banquet was one of laughter, good food, dancing, and fun, and marked the perfect end of the activities.

The Reverend Bradford, Associate pastor of St. John's Lutheran Church, gave the invocation, and everyone sat down to a delicious meal of roast beef and ham.

After the seniors were awarded trophies, and the trophies which were won in Canada were presented to our high school principal, guests danced to the music of "Together in Time."

TALENT AND ENTHUSIASM RAISE CHORUSES TO NEW HEIGHTS

Those involved in our school's choruses were busy people this year. Rehearsals started right off in the beginning of the year and the first performance was a sacred concert of International Music given by the combined chorus in the Nazareth Moravian Church.

Members of the chorale were featured at more than half a dozen civic functions. All this training paid off for eight students who became representatives to District, Regional, and All-Eastern Choruses.

RIGHT: Due to the enthusiasm and effort of Choir Director William Hamilton, a number of great musical programs were presented by the choral groups and enjoyed by all students.

ANOTHER YEAR OF FINE MUSICAL PROGRAMS AT NAZARETH HIGH SCHOOL

"The best concert given at Nazareth in years," was presented early this Spring. Highlighting the program, and by far the most popular selections presented were the renditions of S*M*I*L*E*S and "Godspell." This second annual Pops Concert, together with the band concert and the choral concert, are the result of hard work and countless rehearsals by all the musical organizations.

Eight chorus members were chosen to represent our school at District Chorus, six of these were chosen to go on to Regional Chorus, and three advanced to the All-Eastern Chorus which was held in Philadelphia.

On March 13, the nationally-observed "Music in our Schools Day" received a great deal of emphasis. All teachers attempted to relate class work that day to the field of music. The Senior High Chorus gave programs at both the elementary and high school.

Thanks to the fine efforts of Mr. William Hamilton and all the members of the choral groups, music made a fine impression on all students.

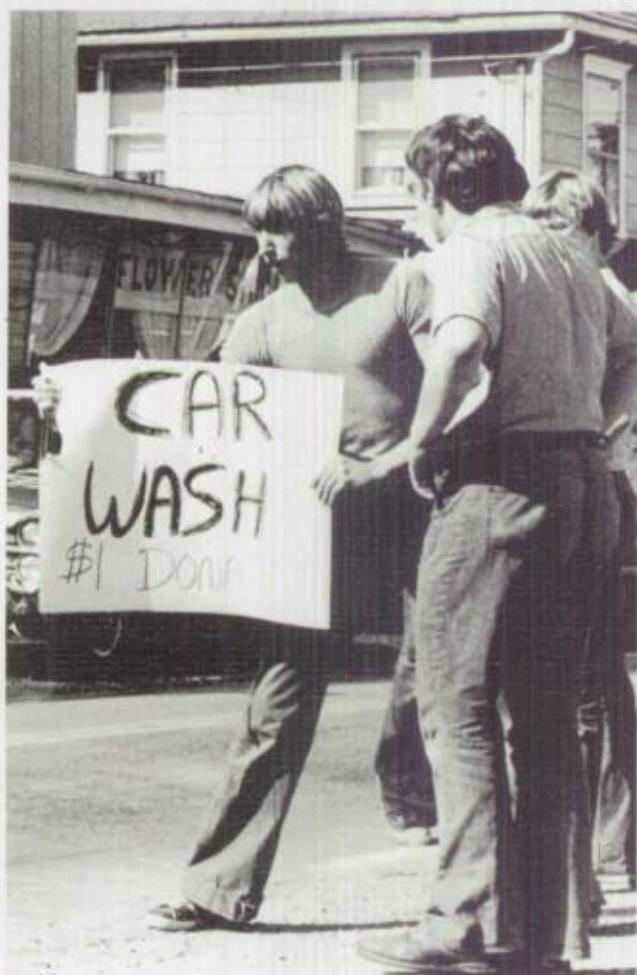

FRESH LEADERSHIP RENEWS PEP CLUB SPIRIT

A fun and profitable car wash was only part of the enthusiasm shown by this year's Pep Club. For the first time the organization could boast a sizeable membership of guys as well as girls.

Other fund-raising projects allowed the group to supply busses to nearly all of the games played away from home.

RIGHT: Pep Club Officers and Advisers are Secretary Toni Rader, Treasurer Marie Hartzell, Vice President Rita Stampf, President Deb Payonk, and Advisers Elizabeth Linnemann and Patti Van Soest.

Our Ski Club was off to a fast start this year, with a bus for transportation and a larger membership. Skiing, being a new activity at the high school, earned a lot of fans due to five straight weeks of good weather and great times for all—or mostly all—for the club was plagued with several injuries.

The adviser and officers spent a lot of time with the administration, and were finally granted school sponsorship for the club, so skiing at Nazareth is here to stay.

CLUBS PROVE TO BE A WELCOME RELIEF FROM SCHOOL PRESSURES

The Nazareth Youth Education Association really expanded this year. Active student members spent free periods in the Floyd R. Shafer building helping teachers and tutoring students. Some of their Service projects included a Christmas party for the Bible Fellowship Home for the Aging and a collection drive for hemophilia. Also, it proved to be a valuable learning experience for those who visited schools for the retarded children in order to observe the learning and teaching situation.

The Future Homemakers of America was one of our largest clubs. Much of their time was spent planning community activities. In March they held a creative night which was a meeting at which mothers and friends demonstrated needlework and other crafts. F.H.A. was a lot of fun with Christmas and pizza parties, but also involved work on their service project—a visit to a local orphanage.

This year's Honor Society was the largest ever at Nazareth Area Senior High School, and there was more for them to do. A comfortable room for its members to relax during free periods was the newest addition. The organization held two trips during the school year, one to Mystic Connecticut and there attended a Shakespearean play; the other to the annual Honor Society Conference at Lehigh University in Bethlehem.

SCHOOL PRODUCTIONS AIDED BY STAGE CREW

Our dedicated stage crew spent many evenings and study halls working backstage ironing out technical problems and preparing sets for drama productions.

New to our school this year was the Key Club, a community service organization. The club's projects included working at the Haunted House on Halloween and sponsoring a car wash for fund raising.

AWARDS FOR CITIZENSHIP AND SCHOLARSHIP PRESENTED TO UPPERCLASSMEN

Nazareth Area High School boasted fine students who won honors from the Merit Scholarship Corporation. Letters of commendation were received by Holly Liming, Keith Adams, and Bill Sandbrook. John Toth was named a semi-finalist and Beckie Gable achieved finalist status.

Becky Hontz was honored with the Daughters of the American Revolution award. She was chosen by her classmates as the girl most trustworthy and loyal.

RECOGNITION

ACADEMICS AND TALENT BRING RECOGNITION TO SENIORS

Although the Senior's talents have never gone unnoticed, they rarely receive all the credit they so rightly deserve.

Through oral, written and talent competitions, two senior girls, Hollie Stevens and Chris Guylai, were chosen as Junior Miss Representatives. Chris went on to compete with other area high school representatives in the Annual Pageant which was held in August.

Another senior, Guy Kleintop, attended the Governor's School of Arts during this past summer. This scholarship was awarded on the basis of a portfolio which contained samples of Guy's artwork and photography.

Beckie Gable received the Betty Crocker Family Leader of Tomorrow award. All seniors in a home economics course were eligible for competition. This comprehensive test covered common knowledge and practical application.

Perhaps one of the most coveted awards given to a senior is the Scholar-Athlete Award. The recipient this year was Dean Heller. Not only an outstanding member of the varsity football team for two years, Dean also showed remarkable scholastic achievement.

Five students represented our school on the Scholastic Scrimmage team, a Channel 39 Educational Broadcast. This turned out to be a winning combination, for the team beat the Wilson High School team by a score of 415 to 145.

STUDENTS GAIN RECOGNITION IN FIELDS OF INTEREST

Although all achievement is worthy of some recognition, there are always special awards which are made to students for outstanding achievement in many fields of academic, artistic, or exemplary citizenship.

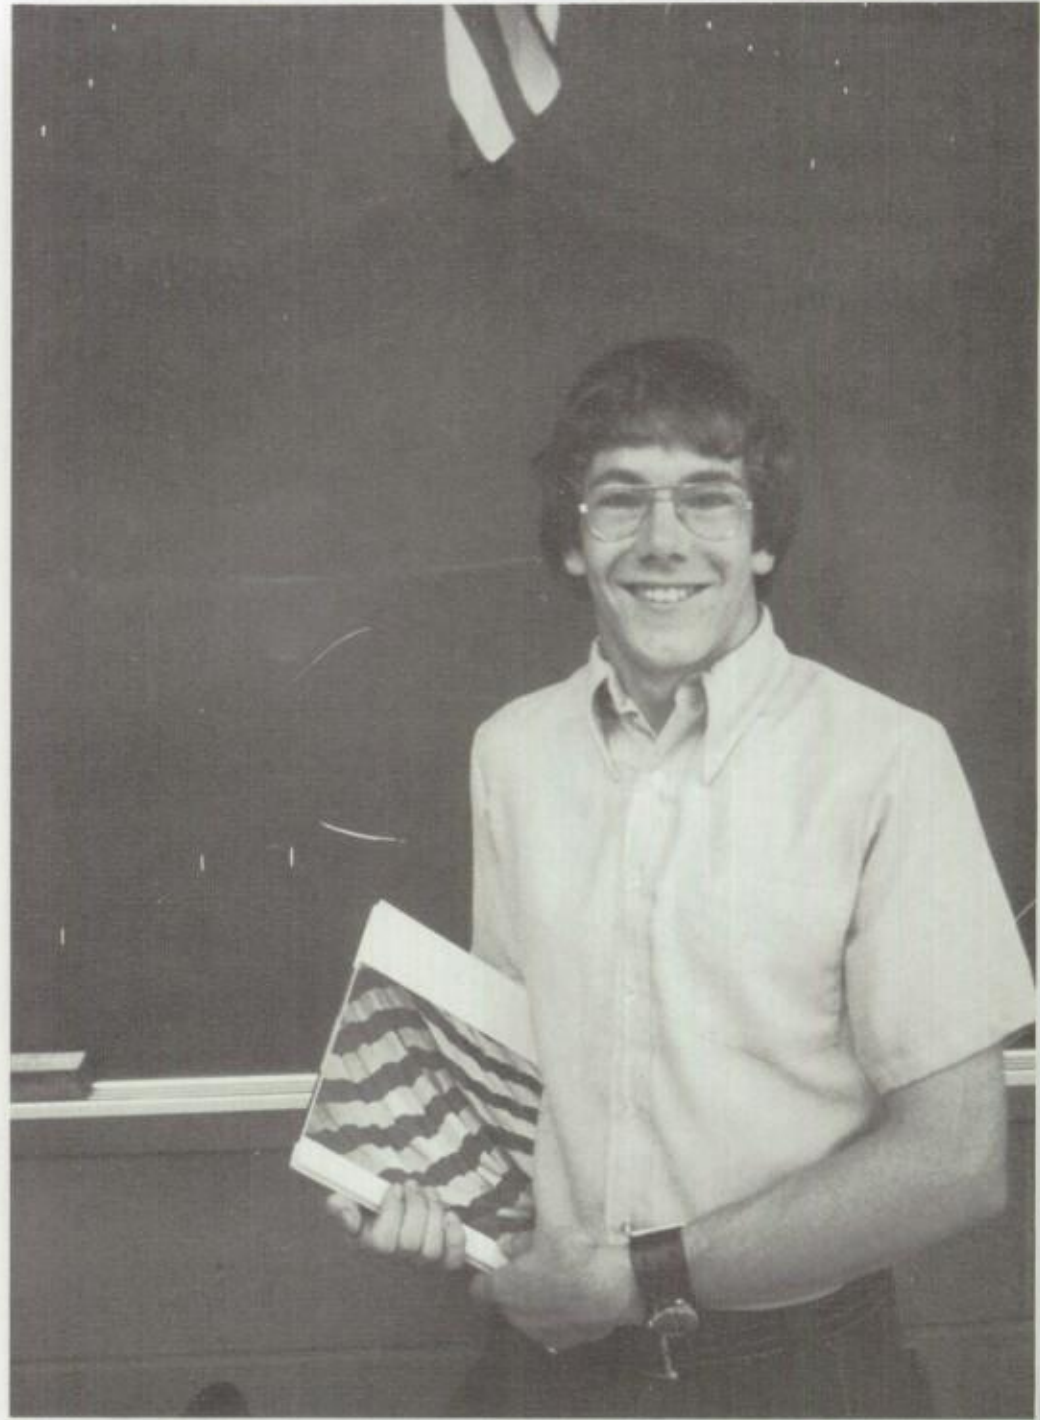

Organizations outside our school community have cooperated with our administration in providing awards.

The Sons of the American Revolution award a medal and a citation annually to the graduating senior boy who best demonstrated qualities of leadership, loyalty, and citizenship.

The Pennsylvania School Press judges creative writing which appears in our school newspaper, the Blue and White Standard, and the literary magazine, The GLEAM.

The Senior Woman's Club annual presents a number of prizes to the students studying sewing in a home economics course. The members of the Club do their own judging, and were especially impressed this year with the quality of work done by the boys in the Bachelor Living classes.

Math prizes were awarded on the basis of a competitive examination sponsored by the teachers of Mathematics.

Kim Shorkey, Darlene Sauerzopf, Tom Berger, and Judy Remaley were prize winners for their contributions to the GLEAM, our literary magazine.

BLUE AND WHITE STAFF CAPTURES THE INTERESTS OF THE STUDENT BODY

This year's Blue and White Standard had its ups and downs, just as every newspaper does. The staff's adviser was Sharon Adams for the first part of the year. When she took over the position as librarian, Mrs. Strickland filled in for a short while, and then Mr. Holland finished out the year. All advisers were very helpful and understanding.

When there were students roaming through the halls and asking questions and opinions on a current topic, you knew that it had to be a Blue and White reporter.

Assignments were made immediately following the delivery of the previous issue. Two weeks later headlines were composed, articles typed, proofreading assigned, and then the final paste-up.

Due to an increased number of students on the staff, the huge burden was reduced, and an improved edition resulted.

STUDENT COUNCIL LED BY ENERGETIC PRESIDENT

Our student store has been the most popular Student Council project of the year. New merchandise and the added feature of candy boosted sales and moral.

Other Council-sponsored events such as Homecoming, Greaser Day, and the Talent Show added fun to everyday school life.

Conscientious committee members spent many hours working towards our long-range goals of open campus, a smoking patio, and a revised ranking system in hopes of gaining new freedoms and fairness in our system.

CHANGES FLASHBACK

SENIOR CENTER OFFERS A CHANCE FOR RELAXATION, COMPETITION, AND EXPRESSION

A welcome change from the studies and stress of classes, seniors appreciated their sanctuary and spent many of their free periods there.

Some played ping pong or chess, while others talked about the happenings of the weekend before.

Artwork and graffiti on the Center's tables will record the names and the pride of the Class of '75 for the future.

All the seniors would like to thank Mr. Sherwood Frederick for the time and the patience he gave to the Center.

NEW FACES AND TALENT HERE WITH ACTION OF '74-'75

Here we are back again with the clowns of the Comet staff.

In ring number one we have the faculty section where the four girls seem to have lost their pictures for their pages! Oh well, moving right along we see the sports section where we have Kathy and Denise working mostly with girls' sports and Paul and Steve doing most of the boys' sports. Where are they going . . . ?

In the next ring we have the organized section of the staff. These girls worked long and hard on the people section and were very proud of the final results. Next we should find the student life section working their little fingers to the bone, only they left early to get some pictures snapped.

And, wrapping up this 5-ring circus are our cameraman and theme designer. Keith and Kevin certainly were an influence to the staff. If they weren't there to supply photographs and theme ideas, where would we be? Back in September, probably?

DRAMA CLUB GIVES OUTSTANDING PERFORMANCE OF "FOR LOVE OR MONEY"

Talented members of the Drama Club presented the three-act comedy "For Love or Money" to small but enthusiastic audiences, April 25 and 26. The play dealt with a complex love triangle between a recent widower, played by Kevin Broad, and two jealous girl friends, Sandy Bulter and Leslie Snyder.

Club members include students from all three classes, and it is hoped that membership will grow from this recent success.

FRENZIED SPIRIT AND FINE COOPERATION MAKE A GREAT GREASER DAY

Long skirts, bobby socks, saddle shoes, greased hair and T-shirts were ordinary sights on April 18. No, it wasn't 1957, it was Greaser Day, 1975.

Confusion was everywhere. The lavatories were crowded with last-minute preparations—girls applying red lipstick and hurriedly putting hair back into ponytails and the guys slicking their hair into D.A.'s.

Homeroom seemed to last forever, but when the bell finally did ring, the halls echoed with shouts and laughter. Everyone rushed to the auditorium, not really knowing what to expect. Our talent show wasn't quite what it was last year, but Chris and Tom Noll put on a great performance.

Thanks to Student Council, the full-length motion picture, *The Lords of Flatbush*, was presented.

Not too much work was done in the classroom since the students weren't really concentrating, but everyone has to agree that Greaser Day '75 was sure a good time.

As an end to a great day, a dance was held in the gym, the first time this has been done. Everyone kicked off their shoes and got into some rock and roll with the music provided by Greasy Gus and the Super Slicks.

TOP: Greasy Gus and the Super Slicks provided the entertainment, which brought a glorious end to Greaser Day '75. CENTER: The look of contentment on Larry's face shows that he thought Greaser Day was a huge success. BOTTOM: Slicked hair and bobby socks got everyone in the spirit for rock and roll.

SCHOOL BOARD OKAYS TRIP TO EUROPE

On March 22, thirty foreign language students, with their chaperones, left the United States for a long-awaited trip to Germany and France. The trip had been vetoed in previous years by the Board of Education, and it was the result of insistent effort by the teachers that the trip was finally realized.

Ten enhausting, exhilerating, marvelous days were spent visiting German sights in Trier, Heidelberg, Munich, Rothenburg, and Zurich while the French students were visiting Paris and surrounding places, visiting discotheques and sight-seeing. They enjoyed a little time on their own.

Each night brought the trip's end a little closer, but also brought experience which none will ever forget.

Students who visited France during the Easter holidays were: FRONT ROW: Keith Fairman, John Toth, Bob Werner. ROW TWO: Chris Honsel, Lynn Christman, Holly Liming, Jayne Dusinski, Jill Wagner, Barbara Staudt. BACK ROW: Adviser Joan Mesko, Blaze Nealon, Darlene Schrenko, Kathee Marker, Laura Staudt.

German language students who visited the country are: FRONT ROW: Laura Kessler, Bill Sandbrook, Tom Male, Tina Mondschein, Marie Zerfass, Ilsa Loetzbeier, Becky Hontz. BACK ROW: Denise Smith, Donna Abel, Ray Gross, Tim Cauller, Paul Hommer, Dean Remel, Charles Yeakel, Laura Seifert, Brenda Butz, and Adviser Dolores Corradetti.

Nazareth students stop for a few minutes in their hectic schedule to have their picture taken at one of the very famous sight-seeing spots in Germany.

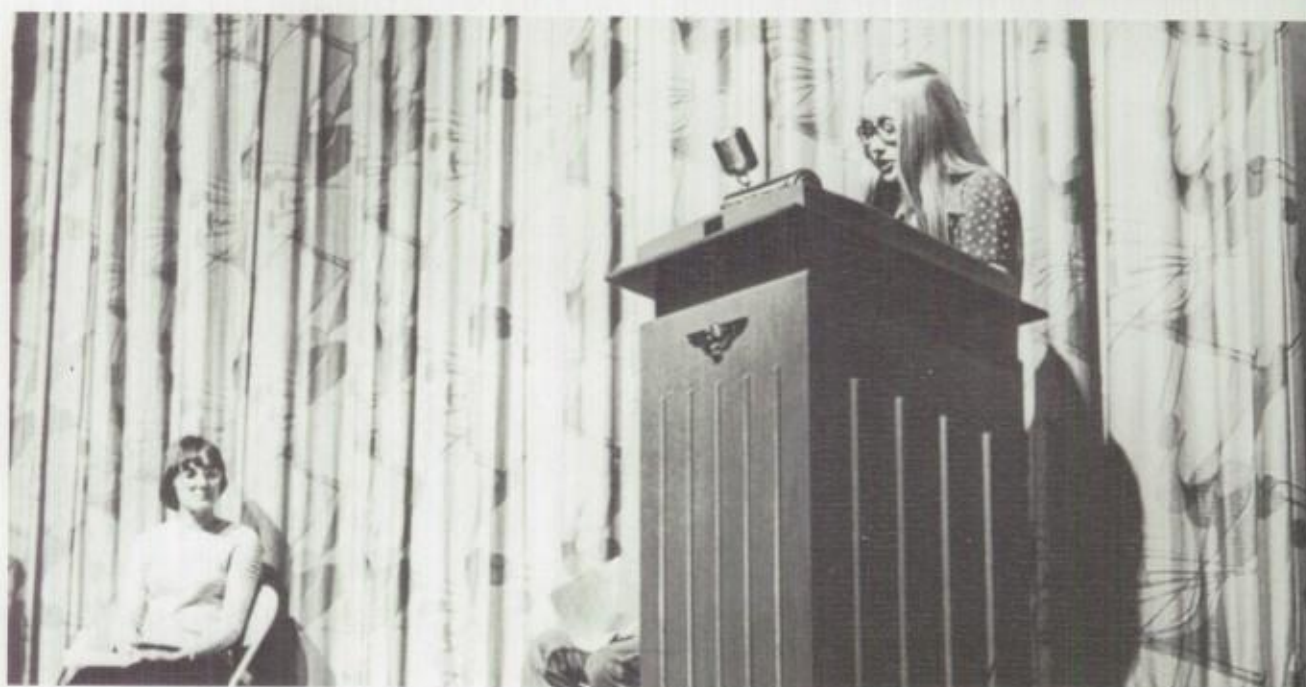

FAIRMAN HEADS NEXT YEAR'S STU- DENT BODY

Student Council elections are annually held in the Spring of the year so that the next year's officers can begin to plan the program and decide on possible projects during the summer vacation.

Elections this year got off to a rather apathetic start, and it looked for a while as if it would be a no contest election. But furor grew as election day came nearer, and all the frenetic campaigning of past years was once again in evidence. Elected as president was Kevin Fairman, and Tom Davis will serve as vice president.

CENTER: Making a valiant effort to keep Woman's Lib alive at Nazareth, Lynn Christman introduced Nadine Faust as candidate for president.

POPS CONCERT PRESENTED BY COMBINED BAND AND CHORAL GROUPS

Combining the talents of the stage band, the marching band, and all the choral groups, the Second Annual Pops concert was presented to a near-capacity audience. With selections delighting some, and coming across a little loudly to others, everyone agreed that the program was well received.

The program was under the direction of Mr. Philip George and Mr. Jan Betz, band directors, and Mr. William Hamilton, choral director.

The Second prize in crafts was awarded to senior Julie Karch for her work with textiles, wood, ceramics, and silver.

"Open to the Arts" was the theme of the 1975 Art Festival. Visitors were exposed to every aspect of the Nazareth Area School District's art instruction. Mini concerts, demonstrations, and exhibits displayed the talents of our students from elementary, junior, and senior high schools.

Extremely popular this year was the work of the students in the photographs classes, and the beautiful jewelry which was designed by the students in the crafts classes.

SENIOR CLASS PLAY SCORES BIG HIT WITH SCHOOL AND COMMUNITY

Long hours of practice produced one of the funniest and best plays in Nazareth in recent years. "The Critic's Choice," the story of a wife turned playwright, dramatizes the problems that result when her critic husband reviews her play.

A fantastic set was constructed by Keith Hahn, Guy Kleintop, and Scott Musser. The stage crew, Director J. P. Cokefair, and the cast all provided an evening of fun and fine entertainment.

SENIOR CLASS FESTIVAL BRINGS CHAOS, CONFUSION, EXCITEMENT—AND PROFIT

Festival time! Once again creating an atmosphere of gaiety, good times, and excitement, festival moods took the place of concentration on studies and homework during the planning and setting-up of the annual senior class festival.

With an afternoon starting time, and then lasting until midnight, our colorful festival with all its noise, millions of kids, and all seniors turning into carnival barkers, proved to be the most profitable in years.

Penny pitching, fish pond, darts, car demolition, weight guessing, and fortune telling lured the crowds as excitement rose to a roar. Profits were used to cover expenses of the senior class trip.

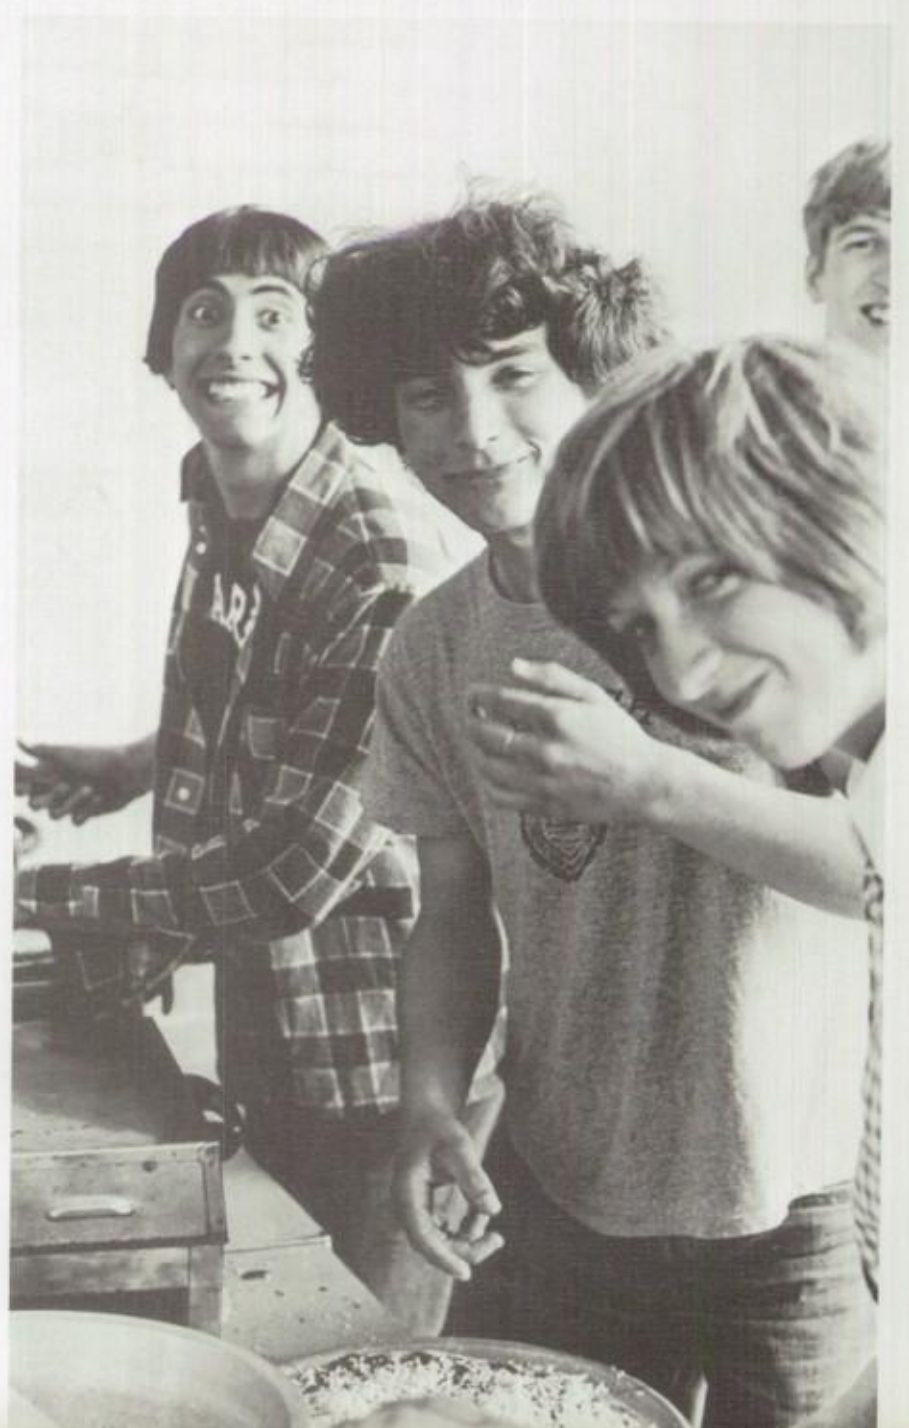

Initiating Mr. Sherwood Frederick, senior class adviser, into the carnival atmosphere were the senior class officers and volunteers from the entire senior class.

Clean up committees worked long into the early hours of Sunday until the last bit of our gala party was faded away into memories of a fun time.

RIGHT: One of the class clowns, Debbie Gilio, made little kids happy by handing out free balloons. BELOW: Thanks to the cooperation of the weatherman, Kevin Adams and Kevin Broad were busy ice cream scoopers.

RIGHT: Larry Siegfried, Greg Stein, and Donna Siegfried evidently enjoy their job as pizza makers.

PROM

PROM AT HOLIDAY INN HIGHLIGHTS SENIOR FAREWELL

Perfect night, beautiful weather, months of plans and anticipation, and finally, the big event of the year. Everything combined to make our Prom, with the theme "Shine on Silver Sun" an evening which will always be remembered.

Everyone forgot school and all their worries as they nearly burst with excitement and anticipation for the night of nights.

Dinner of ham or turkey was served to a very appreciative crowd. After the meal, no one could sit still when the music of the Prime Suspects took over the scene.

Perhaps the highlight of the evening was the crowning of the Prom Queen. At midnight, Junior Class President Tom Sandbrook escorted the nine radiant girls who were nominated for Queen and her Court.

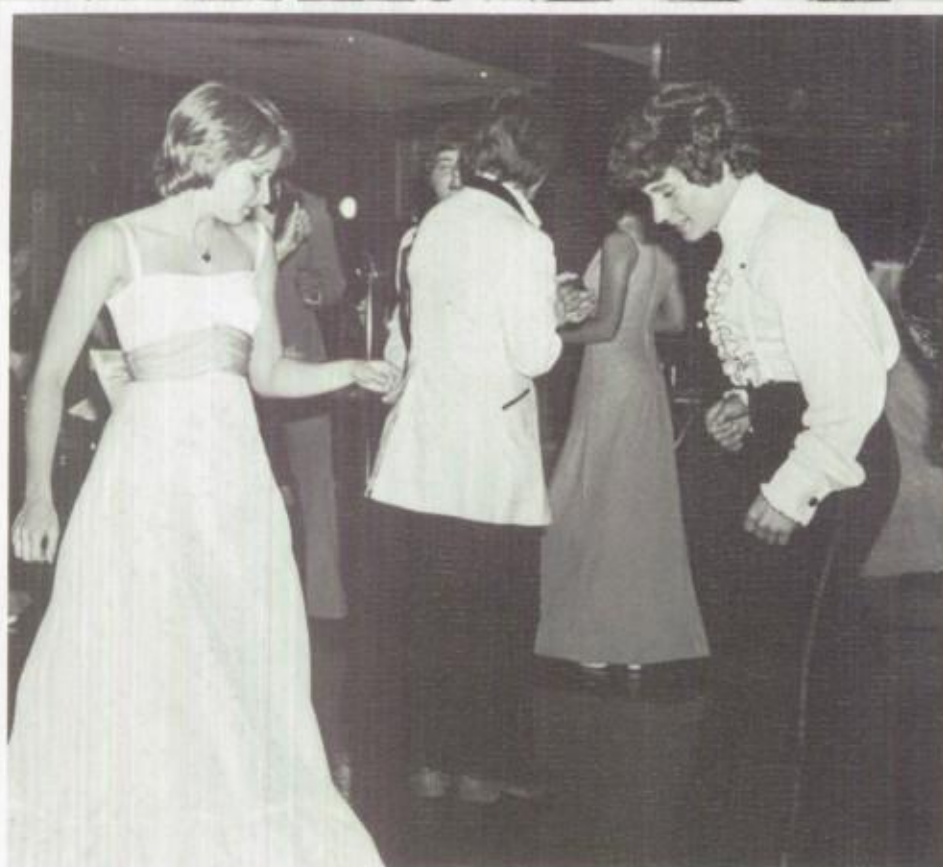

Three o'clock came all too soon for most of us. Everyone had a really great time.

Credit must be given to the hard work of the committees of the junior class, and Guidance Counselor James Jordan.

PROM REVOLVES AROUND SILVERY SUN

SENIORS ENJOY A PERFECT DAY AT MOUNT AIRY LODGE

What more could we ask for? The weather was just perfect, the food excellent, the band great. Everything meshed together beautifully and the seniors had one of the best senior class trips in years.

Mount Airy Lodge in the Poconos offered all the recreational facilities we needed. Almost everyone went horseback riding, swimming, boating, or enjoyed the tennis courts and game rooms.

In the evening, following a fine dinner, there was hardly a moment when the entire class was not on the dance floor—the group received applause and standing ovations.

Probably one of the highlights of the day was the fact that Chaprone Peter Newman donned on a suit for the occasion. It was just one great day.

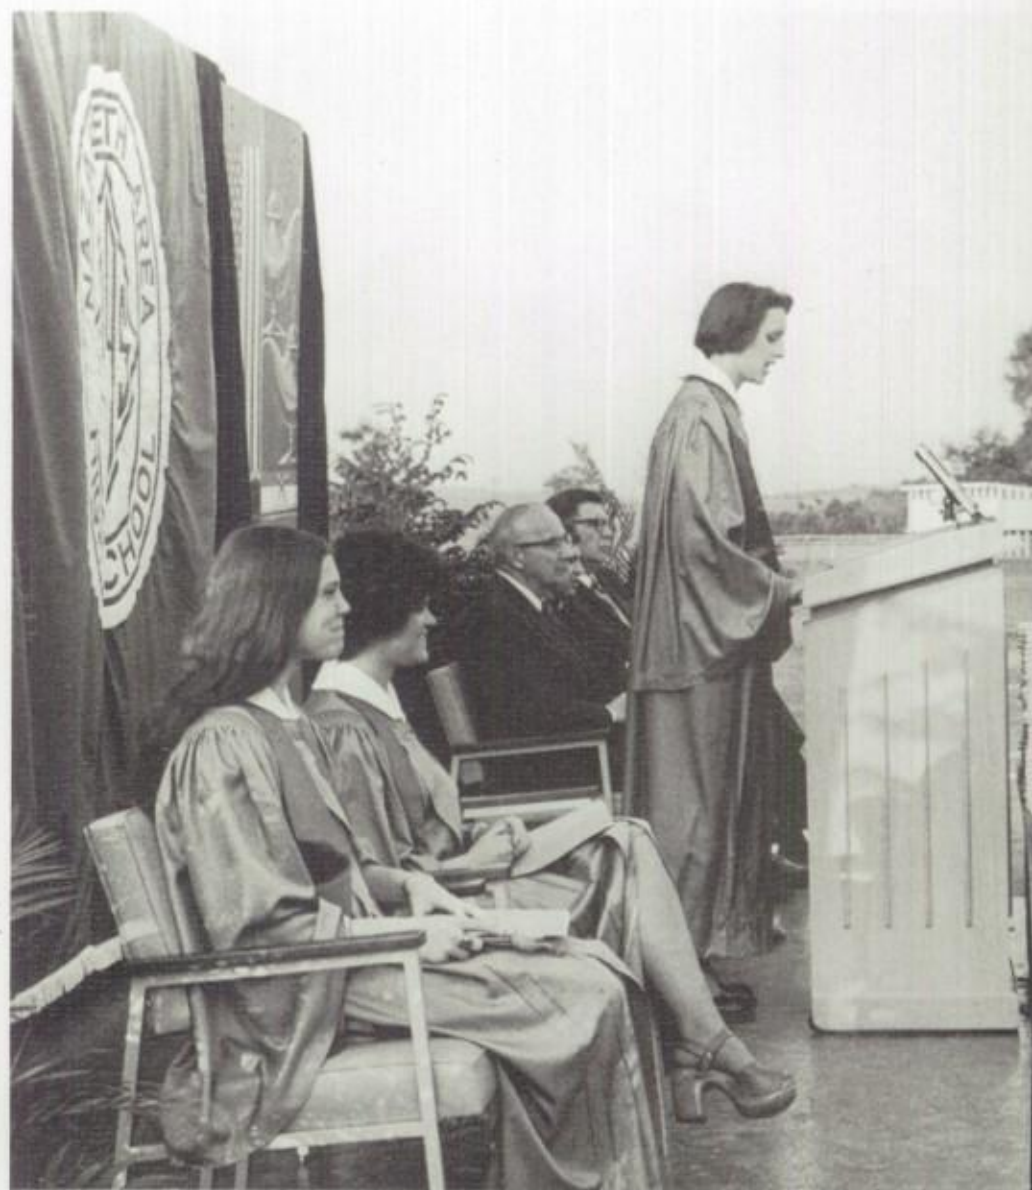

GRADUATION CEREMONIES MARKS THE BEGINNING OF OUR FLASHBACKS

Presenting as a general topic "A Generation of Repetition?" the three Commencement speakers each developed the theme with her own ideas and philosophies. Leslie M. Snyder Spoke on "A Generation of Change." Elizabeth Gable's topic was "The First Step—Fulfilling Ourselves," and Kimberly J. Snyder's thoughts were expressed in "A Choice of Alternatives."

Ceremonies were held outdoors for the first time in several years. With a cooperating weatherman, and the tireless efforts of Class Adviser Sherwood Frederick, the final gathering of the Class of 1975 was impressive and memorable.

RIGHT: Valedictorian Kimberly Snyder and Salutatorian Elizabeth Gable listen to Leslie Snyder as they await their turn at the Podium. BELOW: In addition to the three speakers, Bonnie L. Koch, John Toth, and Steven D. Keck were presented Academic Keys for academic excellence.

NOW I REALIZE WHAT IT REALLY MEANT

Merchandise sold at the home football games by the members of the Student Council provides funds for school dances, subsidizes Homecoming expenses, and enables the student body to make substantial donations to charitable organizations in our community. Many students, such as Nancy Abel and Deb Mertz, donate their time to make all these things possible.

BY THE CLOSENESS OF THE SENIOR CLASS

Typical homecoming happiness and enthusiasm is displayed by two of our seniors, Judy Remaley and Kevin Adams at one of the float meetings. They not only showed their spirit at homecoming but also on the hockey field and on the golf course. With all the activities surrounding homecoming, seniors always found time to help in the construction of the float.

I REALIZE I WASN'T IN IT ALONE

BELOW: With thoughts of graduation nearing, many seniors realize the responsibilities they are about to take on. For some it is sad and frightening, for others an everlasting dream. In some parts of the school there is a generation gap between teachers and students. As in the social studies department, the sign "No Students Allowed" is posted. The teachers believe they need some privacy and this was the only way they achieved it.

WE ALL WENT THROUGH IT TOGETHER

Golfing became a growing activity in our school this year. Senior Kevin Adams shows by his expression how much fun and how challenging this sport can become. With Kevin's enthusiasm for golfing, he might someday make it to the pros. Kevin is also an excellent skier.

THE TERM PAPERS WE DID THE NIGHT BEFORE

N.A.S.H.S. is always changing—never sticking with old customs. For example, Open House this year was shifted to the cafeteria., which was divided into many sections for the different departments of study. Parents seemed to enjoy themselves as they socialized with other parents and with the personnel of the school.

THE ACTIVITIES WE TOOK PART IN

As the school year comes closer to the end, all of us at one time or another would rather be outside than in the classroom. Woody Nesfeder tries to decide whether he should stay inside or outside. Woody is a senior and is studying welding at the Vocational-Technical School.

Jacemar Cervantes from Sao Paulo, Brazil, was an exchange student for this school year. Jac was interested in the many activities surrounding him, and especially enjoyed our Homecoming assembly. A tennis fan, he quickly became an avid fan of all our sporting events. Jac was unable to complete a full year with us due to the illness of his father, but he did enjoy every minute of his stay at Nazareth.

BUT THE THOUGHT OF N.H.S. WILL STILL REMAIN

Many of the props which are used by referees in every football game become valuable souvenirs to players and spectators. The program is a treasured possession, especially to fans, for it contains pictures of players, coaches, and contains advertisements and parton lists.

THE TIME HAS RUN OUT

Although the football players are the featured attractions at the games, the cheering of the fans and the bright, colorful lights add to the excited atmosphere.

IN MEMORIAM MARY ANN DEUTSCH

If you would indeed behold the spirit of death, open your heart wide unto the body of life.

For life and death are one even as the rivers and sea are one.

In the depths of your hopes and desires lies your silent knowledge of the beyond;
And like seeds dreaming beneath the snow your heart dreams of spring.

Trust the dreams, for in them are hidden the gates to eternity.

Your fear of death is but the trembling of the shepherd when he stands before the king whose hand is to be laid upon him in honour. Is the shepherd not joyful beneath his trembling, that he shall wear the mark of the king?

Yet is he not more mindful of his trembling?

For what is it to die but to stand naked in the wind and melt into the sun

And what is it to cease breathing but to free the breath from its restless tides that it may rest and expand and seek God unencumbered?

Only when you drink from the river of silence shall you indeed sing.

And when you have reached the mountain top then you shall begin to climb.

And when the earth shall claim your limbs, then shall you truly dance.

SUCCESS IS PLACING THIRD IN AREA COMPETITION

Our enthusiastic cheerleaders put lots of time and effort into their projects. The many colorful hoops which they made and the morning announcements put fighting spirit into the day of the battle.

A cheerleader's job isn't easy, not in the least. The long hours of practicing, the difficult cheers, and the original themes created for hoops each week are sometimes not really appreciated.

Each day at summer camp our girls won the spirit stick, which went to the squad with the most spirit. At the end of the four days they were given the spirit stick to keep. They also received four superior ribbons for their outstanding performance in conducting their cheers.

On March 22 our squad was among the 21 squads entering the Fifth Annual Lehigh Valley Area Cheerleading Competition at Whitehall High School. Following a great performance, our girls were awarded third place behind Northwestern, who placed first, and Whitehall, who placed second. The seven judges, who based their voting on the arrangement, spirit, motion, and words of the cheers, along with their smiles, must have thought our girls were fantastic to award them with third place.

Cheerleaders have a large part in our school in many ways. Without them who would give our teams the extra spirit, or lead the fans in wild cheering. We really have a great squad, who cheered their hearts out all year long.

UNDEFEATED IN SPIRIT

"I thought it was all over, but we held them," Bob Buesing on the Parkland game. Who will ever forget the anguish we went through as the defense held the Parkland line for eight consecutive tries from the four-year line.

ABOVE: Ron Smith, Dean Heller, and Keith Berlew catch their breath as the offense continues the fight. CENTER: Two good blocks spring Tom Berger into the open. RIGHT: The Eagles go back to the huddle to regroup their forces during the overpowering victory at Saucon Valley.

"It was unbelievable, you just don't stop a team like that twice," said Tom Dewalt, senior tackle, when he reminisced about the unforgettable goal-line stands against Parkland when Nazareth dished the Trojans their first loss in 20 games. The mighty Blue Eagles then went on to win the Lehigh-Northampton League championship, which included beating the Wilson Warriors for the first time in three years.

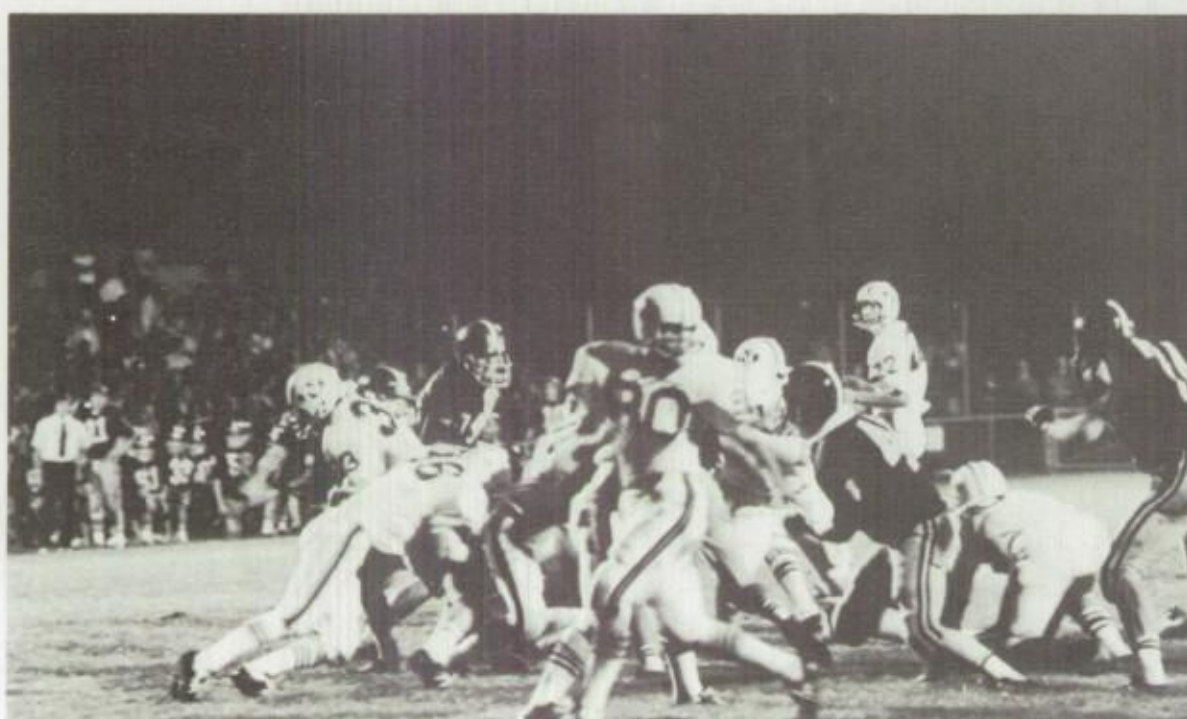

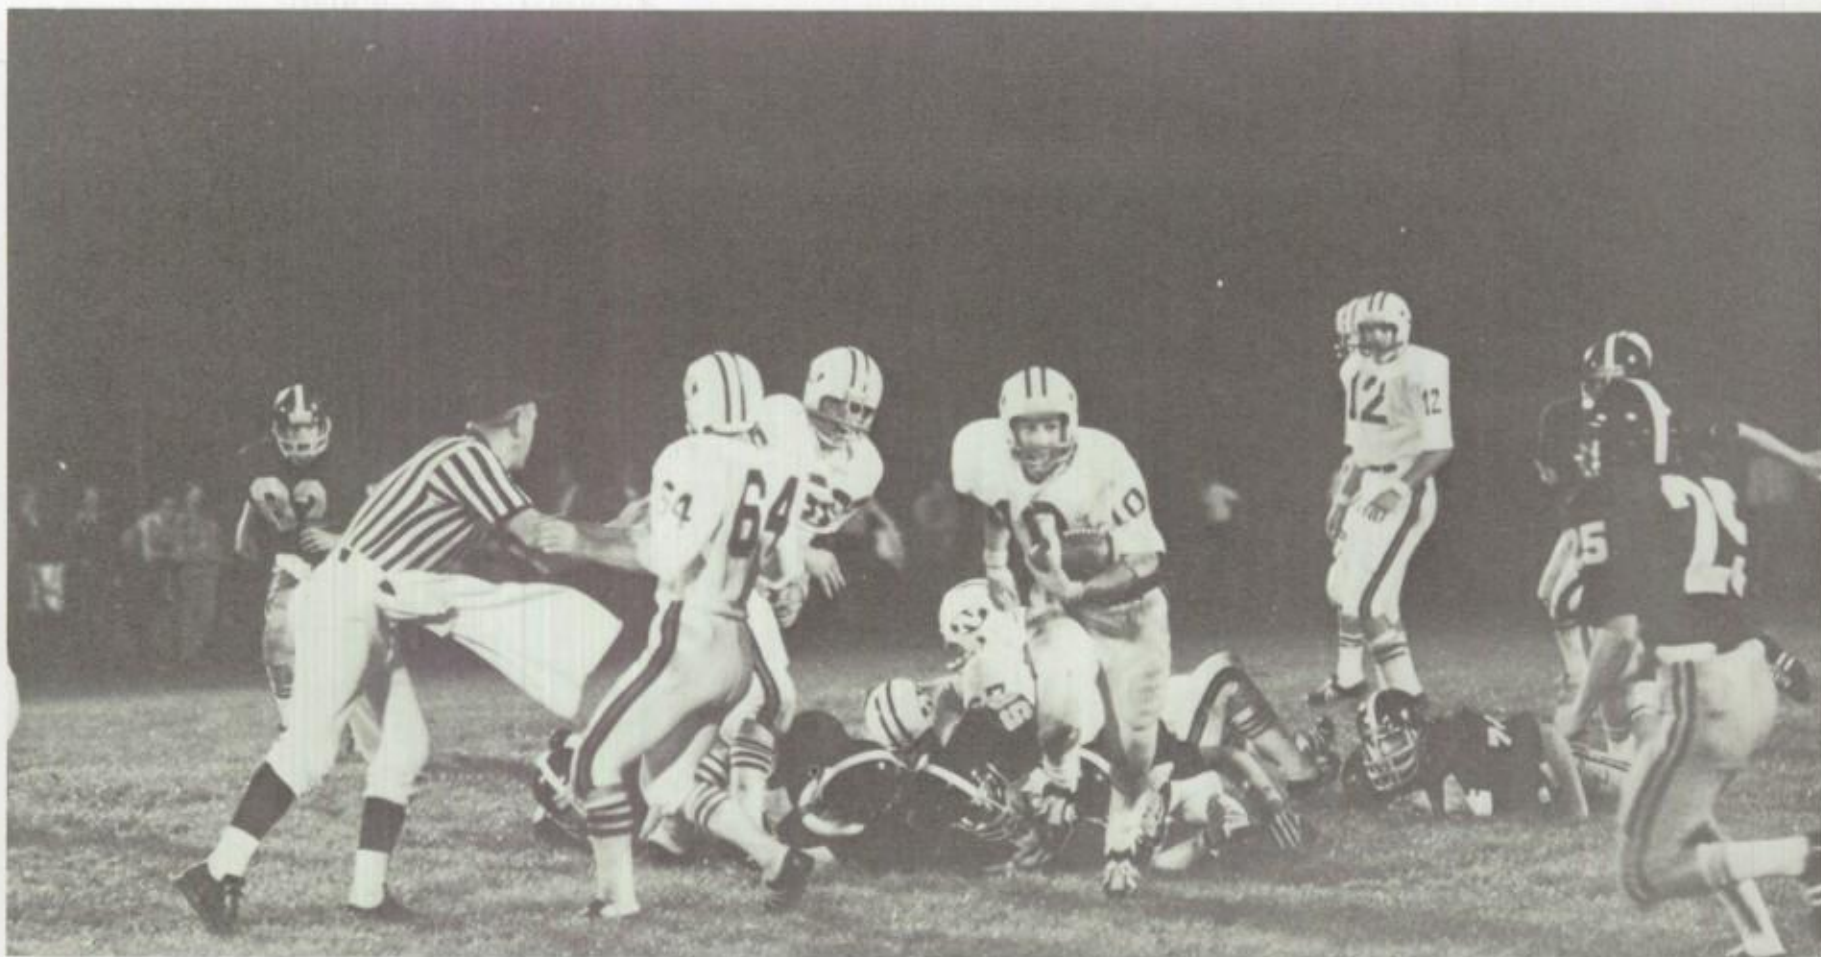

Nazareth was undefeated, except for the controversial game against the Northampton Konkrete Kids. When asked about his feelings towards that game, Randy Fry, senior wingback, replied, "I felt sorry for the guys, because they played their hearts out."

Our Blue Eagles owe their success to several strong points, namely Coach Jim Evanko and his staff, tri-captains Mike Kraemer, Tom Berger, and Bob Buesing, a great offensive line, and one of the greatest defenses around, who, in the ten games of the season, allowed only 30 points to penetrate through the Eagle line. The last Lehigh-Northampton League champions before the league dissolved, and boasting their 9-1 record, the Blue Eagles truly were undefeated in spirit.

A SEASON OF SUCCESS FOR THE J.V.'S

Our Little Eagles had a highly successful season with an offensive attack that was no less than fantastic. Compiling an 8-1 season record, the Little Blue scored 120 points in the first three games. After losing the fourth game to Parkland, the Eagles bounced back to score an overall total of 305 points for an offensive scoring record that will probably stand for a long time. Leading the J-V's in scoring was Jeff Evanko, who had 15 touchdowns for over 100 points.

Overall the outlook for future teams looks good. As Coach Cokefair put it, "With teams like this to build from, the future varsity football team has a good chance of continuing the winning streak."

GOLF HITS THE FALL SEASON

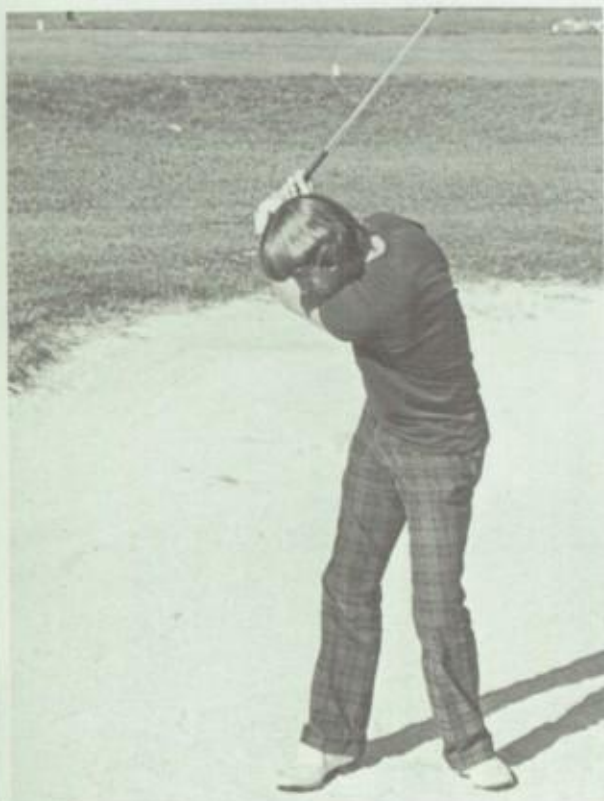

For the first time in Nazareth history, golf has become a fall sport. Golf has lost coach Jim Evanko due to a conflict with football, and has found new direction under first-year coach Barry Boyer. Under the leadership of captains Jamie Paukovitch and Tim Reese, who led the team with a 78 and 80 average respectively, the linksmen finished with a 4-5 season. The golfers were asked what they thought about the change from spring to fall, and the feelings were generally the same. Jamie Paukovitch said, "The competition was much tougher due to practice during the summer, and the leaves on the course became a real problem."

Tim Reese agreed with Jamie. Tim said, "I prefer it in the spring. I looked forward to the spring golf season after the winter layoff, and also late in the season, in October, the weather was very windy and cold for practice and matches, while in the spring it is constantly getting warmer."

Post-season play for the Eagle golfers was not as good as it might have been expected with Jamie Paukovitch, Tim Reese, and Bob McHale qualifying for districts, but none placed. Coach Barry Boyer looks forward to next year's season.

BIGGER AND BETTER

RIGHT: Judy Remaley shields her eyes while listening to half-time instructions with Kate Snyder and Lynne Opitz. BELOW: A free hit allows Judy Remaley to get back in good position.

ABOVE: Pre-game warmups included laps. RIGHT: A nice clear by fullback Judy Shupp helps to prevent a goal against the Eaglettes.

Entering into their sixth season, the fifth year in the Lehigh-Northampton League, the Nazareth field hockey girls felt something was about to happen, and it did! Victories totaled more than any previous season, senior members ranked highest in number, and the team membership increased greatly. Senior Judy Shupp claims, "It was really great to have a big team for once." With such a large team, spirit grew wildly. Coach Regina Chassard described the team's attitude, spirit, unity, and determination as "the best." "The team was really close," is the opinion of senior Kathy Knecht, "and our loss to Bangor was really a blow. We really wanted to win our last game."

Besides setting new records, the team had some other new experiences. This year Miss Barbara Taylor took an interest in the team, and next year she hopes to become an assistant coach. For the first time ever, Nazareth attended Emmaus High's "play day" for area hockey teams. The girls did well against such teams as Northampton and Brandywine. Aside from playing league games and non-league scrimmages, the girls matched their skills against the Varsity football team and members of the faculty.

Bringing honor and recognition to the team, Lynne Opitz was named to the Easton Express All-Opponents Team. Lynne was the only member from Nazareth, and one of the few from the Lehigh Northampton League to be named to this team.

WRESTLERS WIN CHRISTMAS MEET

Wrestling, the oldest sport known to man, is alive and flourishing at Nazareth High. Wrestling can be the fastest, most exciting six minutes of a person's life. It's both an individualistic and a team sport, where, due to its nature, anything and everything happens. The 74-75 season was characteristic of this. The varsity record shows only a 9-5 season, but the story goes deeper. In December captain Mike Morin was hit by mono-nucleosis and was out for just about the rest of the year. Undaunted, the Eagles went into the Christmas City Tournament as underdogs, and came out with the first-place trophy. Placing for the Eagles were Jeff Tripp in second place, Dave Tripp first place, Steve Keck second place, Steve Albanese second place, and Bill Sandbrook first place.

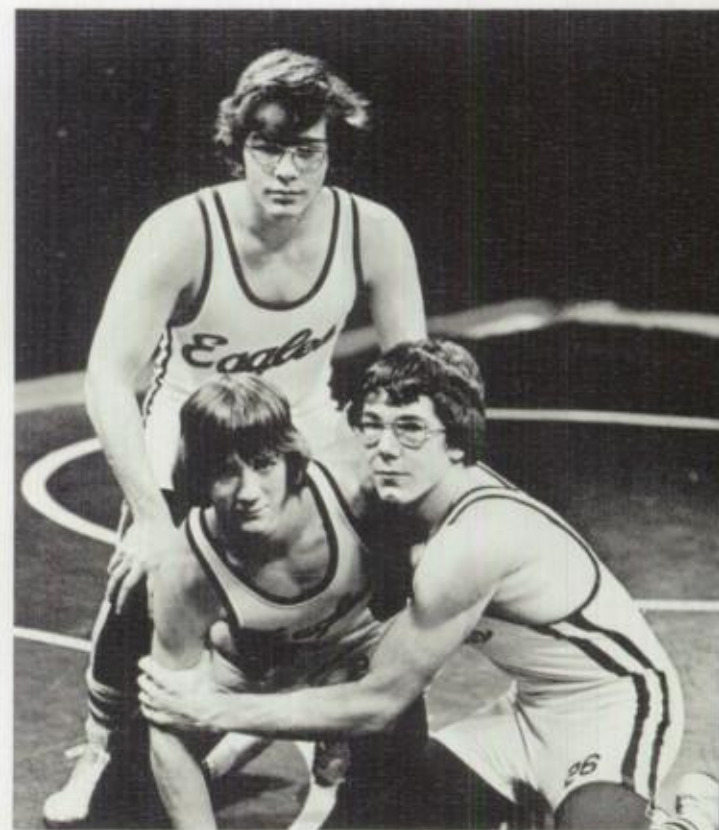

Three of the team's losses came at the hands of Easton, Saucon Valley, and

Liberty. All three of these teams were ranked in the top ten of the state. The other two losses were to nineteenth ranked Lehigh and a thrilling 23-22 loss to Northampton. These factors gave Nazareth an Honorable Mention rank in state-wide ranking of over 600 schools.

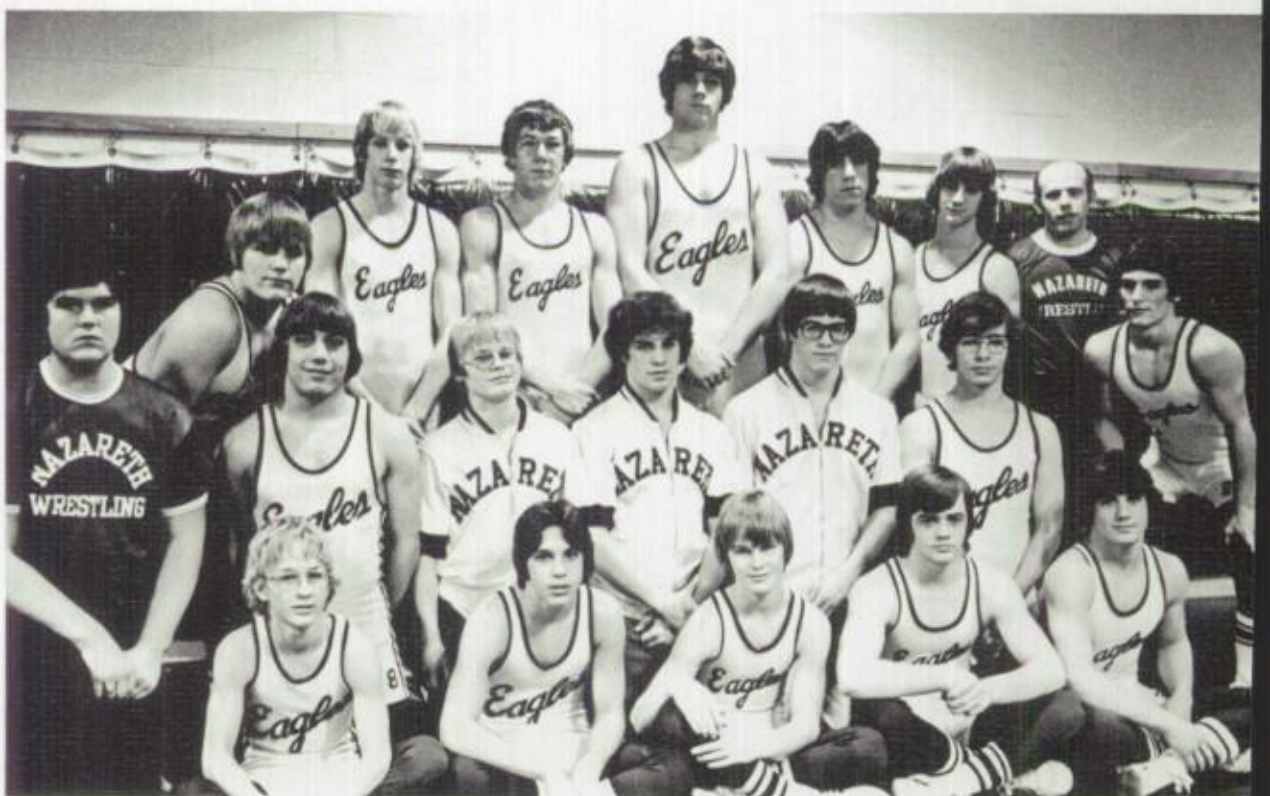

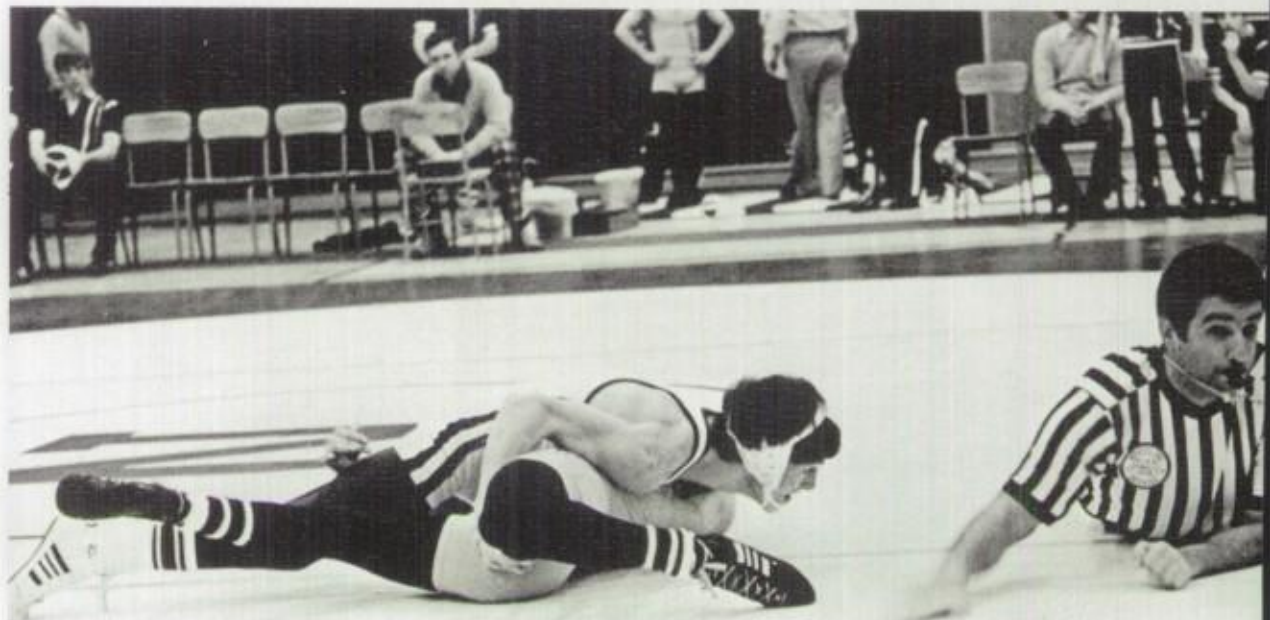

A personal lift for the team was the surprise of Steve Albanese in the Regional Tournament. Here Steve showed his true ability by defeating two District Champs and becoming the Northeast Regional 134-lb. champion.

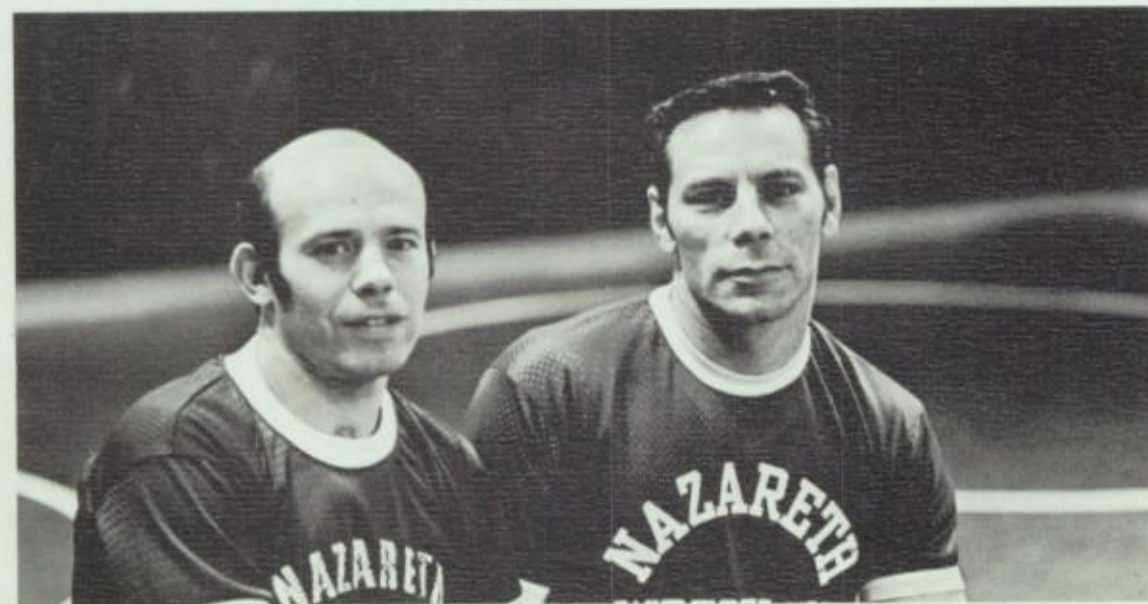

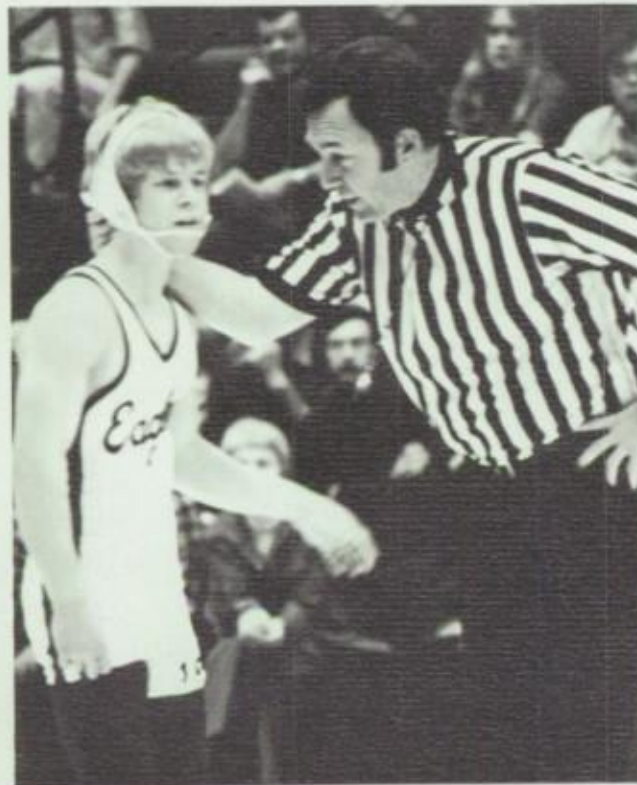

What makes Nazareth wrestling so interesting? Everything. The fans, the wrestlers, and even the referee. Year after year wrestling gains followers and continues to become a significant part of Nazareth High School sports.

Captains Steve Keck, Bill Sandbrook, and Mike Morin were the leaders of the 74-75 wrestling team.

J.V. TEAM COMPLETES ANOTHER SUCCESSFUL SEASON

What are good varsity teams made of? Good junior varsity teams and returning lettermen, that's what. What does Nazareth have to look forward to next year? Another good wrestling team, that's what.

Once again next season Coaches Ray Nunamaker and Steve Kulicki will be conditioning, building, and molding another winning team, with returning talent from the previous season. From Jeff Tripp, at 98, at Erving Davidson, at Heavyweight, the J.V. team will provide talent for Coach Nunamaker to work with. The J.V. team lost only to Lehigh-ton, Easton, and to a tough Liberty team, where they showed great improvement toward the end of the season. With hard-working talent such as this, Nazareth wrestling will retain its high regard.

EAGLES HAND RETIRING COACH RELVAS IMPRESSIVE YEAR

Again this year basketball stirred excitement into the hearts of Blue Eagle fans from the pre-schooler to the senior citizen. Led by junior playmaker Jamie Fry, retiring Coach Tony Relvas's team turned in an impressive 14-8 record. Fry, Nazareth's leading scorer, along with junior Todd Quinter, guided the Eagle's ball control offense, which by many was rated one of the best in the Lehigh Valley.

Outsized by almost all of their opponents, Nazareth's Mike Kraemer, Pete Reichel, and Lou Brown dominated the backboards in many games. The Eagles finished second in both halves of the Lehigh-Northampton League behind tough Saucon Valley, but did qualify for the District XI playoffs. They were defeated at the hands of Hazleton 50-45.

Coach Dan Kemeter's Junior Varsity team also finished in second place in the Lehigh-Northampton League with a 10-10 record.

DESIRE, DETERMINATION, AND SUCCESS PRODUCE A WINNING RECORD

"We have height this year, plus nice dispositions," claimed Coach RuthAnn McCay at the start of this basketball season. Compiling a 9-9 record, the girls got a lot of satisfaction when they defeated the #1 team, Pleasant Valley, not once, but twice this year. They tied for third place in the league with a 7-5 record. Highlighting their season was qualifying in the District XI playoffs, where they met defeat at the hands of Slatington.

Emotion, present in every game, is evidenced by nervousness, fright, and tension, but this is what makes the game a good one and a good team victorious. Our Eaglettes proved this many times this year. Captain Leslie Snyder, when reminiscing about the season, said, "We really had a great year. We ended up with a winning season, and had a lot of fun doing it."

BASEBALL TEAM HAS 8-7-1 RECORD LEAGUE PLAY

Boasting an 8-7-1 record, the Nazareth Blue Eagles' varsity baseball team, under the supervision of Head Coach John Roanoke and Coach Barry Boyer, captured fourth place in the new Colonial League. With five returning letterman—Mike Kraemer, Tom Berger, Randy Fry, Bob Buesing, and Keith Correll—and with the great pitching ability of Captain Randy Fry and junior Joe Mladosich, Nazareth posted a win over every team except Southern Lehigh and Pen Argyl, who finished first and second in league play.

Our Eagles shut out non-league competition Pleasant Valley 9-0. In the two games with Southern Lehigh, the Eagles lost by only 3 runs each game—3-6 and 4-7. Salisbury defeated the Big Blue 2-6 the first time, but Nazareth gave them a loss later on, 4-3. After Palisades outscored the Eagles 5-8, they made a fantastic recovery and won 11-2. Wilson lost two against Nazareth, 10-1 and 8-7. Another shut out and another loss against Saucon Valley, 1-0 and 2-3. Pen Argyl, the second place team in the league, beat the Blue 5-13 in their first game, but the mighty Blue Eagle machine managed to hold the Knights for much less the second game, 2-3. Playing Bangor brought two more wins to Nazareth, 7-6 and 5-1.

Led by top batter Frank Marakovitz, Larry Steward, and Keith Correll, the Eagles brought in a total of 78 runs. Comparing this with the total number of runs that were scored against the Eagles, 66, one can easily see that their record doesn't do them justice.

With a 6-2 record, the Jayvees look promising for taking the league championship next year.

DOMINATION OF COLONIAL LEAGUE MEET HIGHLIGHTS TRACK SEASON

This spring brought the start of a new league to Nazareth. Although our Blue Eagles finished second with a 5-1-1 record, there were many exciting and rewarding moments.

Our Eagles more than revenged their only league loss to Southern Lehigh by completely dominating the Colonial League meet. Winners were Bob Flick in the 120-yard hurdles and the long jump, Scott Silfies in the 880-yard and mile runs, Scott Baltz in the 330-yard hurdles, Barry Pritchard in the 440-yard run, and Ron Smith in the javelin. Flick also captured first place in the high hurdles in District XI competition. Laurie Kessler, the first girl from our school to ever place in districts, won a second place in the javelin competition.

TRACK TEAM—FRONT ROW: Larry Rissmiller, Tim Leh, Keith Lilly, Bill Leh, Scott Silfies, Pat Szutar, Dennis Will, John Reuss, Jeff Lantzer, Randy Nesfeder. ROW TWO: Coach Charles Voda, Statistician Leanne Rader, Andy Melick, Mike Meixsell, Ronnie LaBar, Ron Smith, Bob Flick, Dave Hummel, Scott Santee, Randy Bajan, Rory Hertzog, Richard Gross, Statistician Connie Marchak. ROW THREE: Coach Jerry Treon, Statisticians Ellen Dietrick and Connie Vogel, Scott Keller, Craig Pritchard, Marty Mengel, Robert Wagner, Joe Inhoff, Chris Fehr, Richard Simpson, Jeff Ashenfelder, Randy Mann, John Slog, Kevin Hess, George Williams, Ricky Remaly, LeRoy Rissmiller, Statistician Carole Yavorski, Coach Ronald Lewis. Overall season record was 7-5-1. Many records were broken. Bob Flick, besides breaking his own record in the 120 high hurdles, broke the individual point total for a season. Flick gained 200 team points, breaking the old record of 157. Other Eagle record breakers were Scott Baltz in the 330 intermediate hurdles and Scott Silfies in the two mile run. The two-mile relay team also established a new school record.

ENTHUSIASM IS THE KEY TO WINNING THE POCONO MOUNTAIN TOURNAMENT

In its third softball season, the Nazareth Eaglettes put together an impressive 6-6 record. Although the team was young with five underclassmen starting, including three sophomores and one freshman, the team did not lack fundamentals, and turned in many great plays throughout the season.

Our record did not indicate the outstanding achievements shown by this team. Their winning of the Pocono Invitational Softball Tournament was truly the highlight of the season, for the team and Coach Regina Chassard. In the first game of the tournament they blasted Lehigh 21-1 and the finale outlasted Pen Argyl 6-5 in an extra inning.

Coach Chassard's junior varsity team turned in a 4-2 record.

CHRISTMAN'S FINAL SEASON PROVED TO BE HIS BEST

As this was Coach Edward Christman's last season of heading the Blue Eagle tennis team, the squad rewarded him by handing in the best season in our history with a 10-2 record. The only two losses were to league-winner Wilson.

Highlighting the season was the singles play of Bill Sandbrook who won all but one match, and doubles team of Larry Siegfried and Greg Stine who were also handed just one loss. Making up the rest of the team were Rich Laubach, Tom Sandbrook, Tim Reese, David Tavianini, and Kurk Snyder.

In District XI competition, unseeded Bill Sandbrook and Rich Laubach pulled the surprise of the tournament by upsetting the second and third seeded teams, before falling in the finals in three sets.

GAYLE HOFFMAN AND MIKE KRAEMER ARE CHOSEN IDEAL BOY AND GIRL ATHLETES

Gayle Hoffman and Mike Kraemer were honored at the annual All Sports Banquet as the "ideal" girl and boy athletes at Nazareth Area High School.

Kraemer, in addition to being named to the Big 33 squad and gaining all Lehigh-Northampton League honors in football, was named first team quarterback on the The Express All-Area team. He also played basketball and baseball.

Gayle played girls basketball and field hockey. The awards are sponsored by the Pequoit Society of Nazareth.

Frank Marino, head football coach at Muhlenberg College, was guest speaker at the banquet.

Also receiving awards were Bob Buesing, the SJohn Polzer Leadership Award for football; Tom Berger, outstanding player in football; Lynne Opitz, outstanding in field hockey; Leslie Snyder, girls basketball; Kraemer, boys basketball; Steve Albanese, wrestling; Christine Gyulai, cheerleading; Randy Fry, baseball; Bob Flick, track; Bill Sandbrook, tennis; Jamie Paukovitch, golf; and Marie Bartholomew, girls softball.

The "outstanding" awards in each sport are presented by Frank Maurek on behalf of the Nazareth Area Knights of Columbus.

AWARD WINNERS ACKNOWLEDGE HELP FROM TEAMMATES

Recognition is an important part of all achievement, and this year's Blue Eagle athletes certainly deserved to be recognized. Every aspect of our sports program is represented by people who have excelled in participation. All winners truly exemplify the spirit of the Nazareth athlete.

Although individual recognition is always welcomed by the recipient, all winners quickly acknowledge the support and effort by the entire team. Without the long hours of practice, the willingness to put the team before the individual, and the enthusiasm and elation which comes with winning, our victory would be meaningless.

BOARD OF EDUCATION FORMS LONG-RANGE PLANNING COMMITTEE

Standing behind every well-organized institution is a seldom-seen group of individuals whose duties and services are highly essential to its efficient operation. Nazareth Area Senior High School has been no exception to this theory and has acquired a group of concerned, dedicated men who take on the responsibility of this complex job.

Our superintendent of schools, Herbert F. Cobley, has assumed the responsibility of overall supervision and management of our school system. He sees to it that school board policies are carried out and is responsible for the overall educational plans of this district.

James R. Feather, assistant to Mr. Cobley, is responsible for the census of the school district. He manages federal projects and acts as spokesman for the administration during teacher negotiations. He also plans and supervises our transportation services.

As school psychologist, Broni Krisukas oversees the activities of the guidance counselors and supervises the emotional stability of the student body.

Overseeing the business affairs of the district is Wilfred J. Sheetz. Mr. Sheetz is also the secretary to the Board of Education and works in cooperation with other administrators in preparing the budget.

CHARLES DONELLO

It is with sympathy that we note the passing of Mr. Charles Donello, a member of the Nazareth Area School District's Board of Education.

Mr. Donello's many contributions to the educational program of our schools will always be remembered with appreciation.

NEW COMMITTEES IMPROVE STUDENT- FACULTY RELATIONS

Although the school board plays the major role in making the decisions which effect our activities at Nazareth Area Senior High School, it is the administration who sees to it that the policies are enforced.

Frederick C. Benfield, principal of Nazareth Senior High School, not only takes an interest in the students, but also in community affairs. He must relate in-school problems to the school board and also act as mediator in student-faculty misunderstandings.

Vice Principal Claude Shappelle, Jr., is in charge of seeing that disciplinary problems are dealt with. His job is not an easy one. Repremanding students is no one's favorite pasttime.

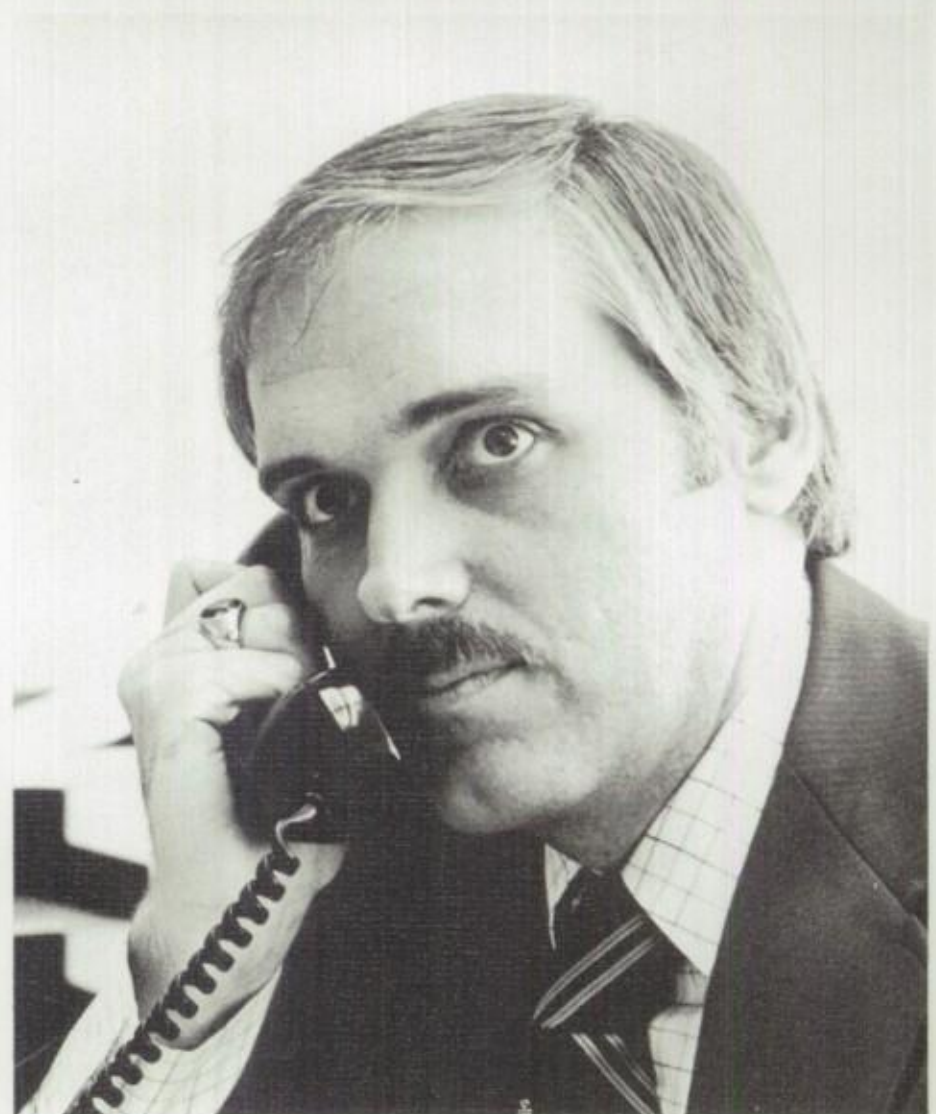

Keeping an office in order is not an easy job. Keeping a high school office in order is twice as hard. Announcements keep needing to be typed, students have problems which need to be solved, cards must be sorted, and lists compiled. Thanks to the efficiency of our secretaries and clerks, order is maintained.

CLAUDE E. SHAPPELLE, JR., Vice Principal

Thanks to our guidance counselors Marlyn Roth and James Jordon, our students have a place to release pent-up tensions. Not only do our guidance counselors help the student council organize activities for the student body, they also serve as a complaint department and a listening board. They are always willing to listen to a problem, whether it concerns school or not.

A common misconception made by both students and parents concerning guidance counselors is that they tell you what school a student should attend, and whether or not he should plan to go to college at all. This is not true, as counselors are simply there to guide whatever thoughts the student may already have concerning his future plans.

Aiding the teachers throughout the day are Lillian Knecht and Joyce Dech, who produce a tremendous amount of typing and suplicated materials.

Marian Whitesell, R.N. is always there when needed to administer emergency first-aid attention, or medical assistance.

Mrs. Graver is pictured here with her husband, Dr. Lee Graver, who was principal of Nazareth Area Senior High School from 1949-1956. Dr. Graver retired as Professor Emeritus of Kutztown State College in June, 1974, having served as Head of Department of History and Political Science.

RETIREMENT

VIRGINIA GRAVER RETIRES AFTER 25 YEARS OF DEDICATED SERVICE

Mrs. Virginia R. Graver, teacher of business education subjects at Nazareth Area Senior High School, retired in January.

Before she left, we asked Mrs. Graver about her impressions of our school and our students. "We can be proud of the average Nazareth Area Senior High School student, in fact he is to be commended. He is usually neat and tidy in appearance, he uses language appropriate to the situation, he is conscientious and attempts to do a reasonable amount of work. He is active in extra-curricular organizations to enhance his own well being, and he maintains a good school spirit, thus upholding the traditions of our school."

Mrs. Graver was graduated from Rutherford High School, NJ, and received Bachelor of Science and Master of Arts degrees from Syracuse University. She studied further at Lehigh University and New York University. Prior to coming to Nazareth, Mrs. Graver taught in public schools in both New York and New Jersey.

Here at Nazareth, she served us faithfully and well. For two years she directed the publicity. She was faculty adviser of the GLEAM for 24 years in charge of typography and production. She served on three evaluating teams, and many of her bulletin board displays were published in *THE BUSINESS EDUCATION WORLD*. She also authored an article, "To Work or Not To Work," in the *JOURNAL OF BUSINESS EDUCATION*.

Mrs. Graver was actively involved with committees of the Nazareth Education Association and upon election served as both treasurer and secretary. She was a member of the R & D Committee for the school district.

Not only has Mrs. Graver been active in school functions, but she has also served her church and our community. While a member of the Board of Christian Education of St. John's United Church of Christ, she initiated the idea for a Foreign Exchange Student Program, and also served as secretary of the Women's Association.

In 1972, Mrs. Graver was appointed by the Nazareth Borough Council to the Board of Directors of the Memorial Library. In 1963, she was presented with the Northampton County award by the American Cancer Society of which she headed drives for several years. She served as president of the Nazareth Senior Woman's Club from 1964-1966, previously having served as secretary and treasurer.

Commenting on her teaching career, Mrs. Virginia Graver said, "Teaching has been a rewarding experience. Appreciative students who have worked diligently to achieve a substantial measure of success are always an inspiration to the teacher. It is a delightful experience to hear from the many students who have made a success of their lives and who attribute a good part of their success to the instruction and activities of the high school."

Thousands of students profitably employed in secretarial and clerical positions are indebted to Mrs. Graver for her demand for skill and perfection. All of us express our appreciation to her, and wish Dr. and Mrs. Graver many contented retirement years.

GUY R. OWENS TEACHES DRIVER EDUCATION TO 2,450

Guy R. Owens, who has been a driver education teacher, an assistant varsity football coach, a health education teacher, a junior varsity head football coach, and a ticket manager for the Nazareth Area Senior High School, retires in June. We are saddened that it is necessary for Mr. Owens to take early retirement, for all of his students and the members of the faculty will miss a dear friend, a concerned and dedicated teacher, and a respected coworker. His even disposition, his sage advice, and his cheerful attitude have been a part of our school for 28 years.

Mr. Owens was graduated from Northumberland High School in 1939, where he played varsity football for three years. He co-captained the varsity football team in his senior year, played baseball, and managed the school's basketball team.

Graduating with a Bachelor of Science degree in health education from West Chester State College on August 6, 1943, Mr. Owens entered the United States Navy in January, 1944, as a physical education instructor for the radio school at Grove City College Naval Training School. In November of that year, having completed a course of study at the Rehabilitation Physical Training School at the U.S. Naval Training Center, Sampson, New York, he was classified as Specialist (A) First Class (T), U.S.N.R.

After working with the rehabilitation program for amputees, blind, and other physically handicapped persons at the U.S. Naval Hospital in Philadelphia, he was discharged from service on January 11, 1946.

That same month saw the beginning of his teaching career at West Pottsgrove High School, PA, where he taught health and physical education, coached the football and baseball teams, and was senior sponsor for the Class of 1946. That summer he attended the University of Pennsylvania, and subsequently continued his education at Muhlenberg College from 1949 to 1950 when he became certified to teach driver education.

September, 1947, brought Mr. Owens to Nazareth, where he has taught health and physical education and initiated a classroom course in driver education. In 1948, Mr. Owens became one of the first "Behind the Wheel" driver education teachers in the county.

Since 1948 Mr. Owens has started exactly 2,450 students on their driving careers. One of his former students told us that he still hears Mr. Owens commanding "hand over hand" every time he drives around a corner. In 1949, Mr. Owens became a charter member of the Pennsylvania Association of Safety Education, and has since that time participated in 23 consecutive conferences. In May of this year the P.A.S.E. honored Mr. Owens at an awards banquet in Harrisburg for 26 years of service.

Serving also in the field of athletics, Mr. Owens was assistant football coach from 1947 to 1961, and from 1962 to 1968 was head junior varsity football coach; his 1968 team completing an undefeated season. He retired in 1968 to take on the job as ticket manager for all athletic events.

Mr. Owens not only served our school, but he has also been a faithful member of the Nazareth Moravian church, serving terms on the Board of Elders. He and his wife Betty were Dieners for a 10-year term. He is also a member of the Whitfield Lodge F and AM, Tall Cedars of Lebanon, Lehigh Consistory of Allentown 32°, and the Shrine Club of Reading.

Now that he has had chance to sum up all the experiences of the past 28 years, Mr. Owens says that he has always enjoyed the years he taught driver education, for it provided him a great opportunity to get to know students as individuals as they shared conversation "Behind the Wheel."

Spike, we thank you for all you have given and shared with us over the past years. We wish you happy hours with Kathy, continued improvement in health, and years and years of contented retirement.

Perhaps his feelings for our school and our community can be expressed by the words of this little poem which Mr. Owens found many years ago and which has a great deal of meaning for him.

LITTLE TOWN

I like to live in a little town where the trees meet across the street
Where you wave your hand and say "hello" to everyone you meet.

I like to stand for a moment outside the grocery store
And listen to the friendly gossip of the folks that live next door.

For life is interwoven with the friends we learn to know
And we hear their joys and sorrows as we daily come and go.

So I like to live in a little town, I care no more to roam
For every house in a little town is more than a house; its a home.

DEDICATED FACULTY OFFERS ENCOURAGE- MENT IN ALL AREAS OF ACHIEVEMENT

If at any time you feel the urge to "let off some steam" the gym area is always open after school with dedicated teachers who are ready to become involved in any kind of wild activity.

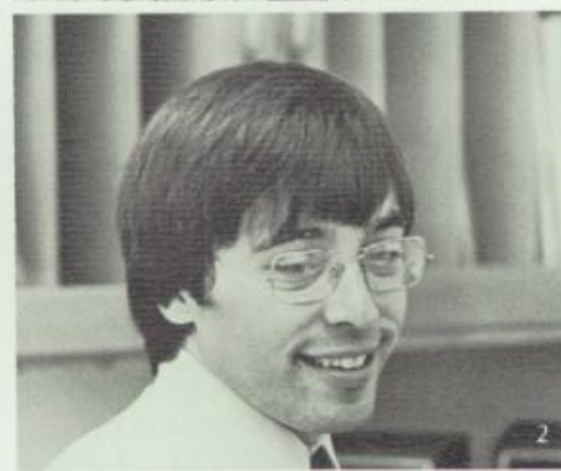

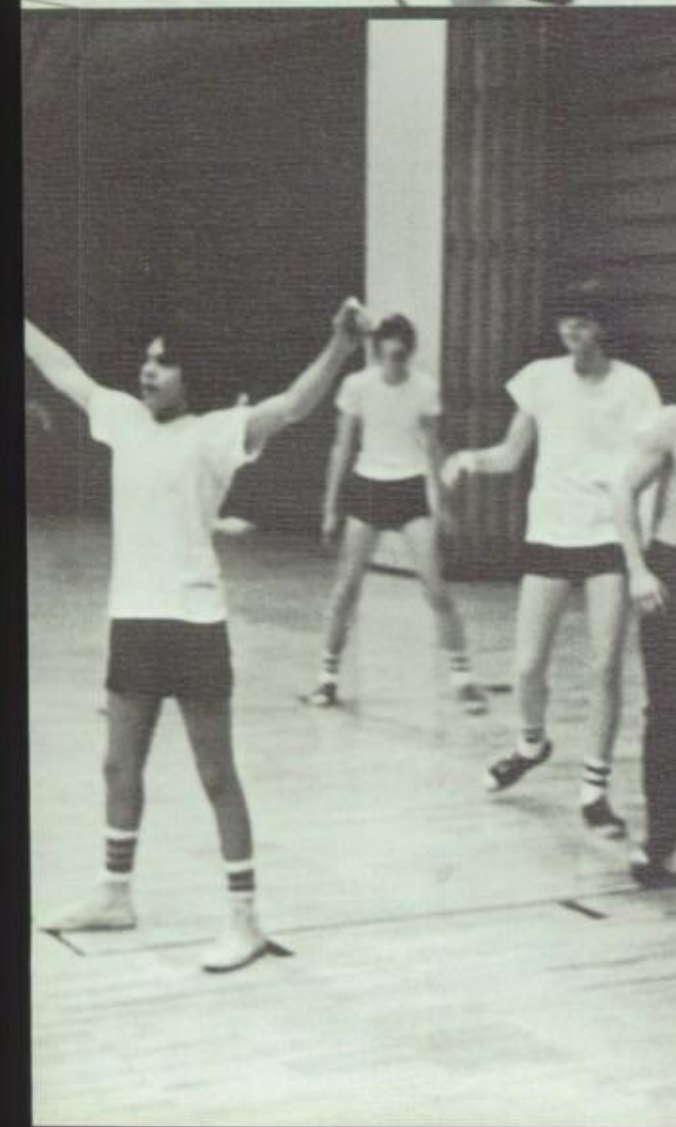

For example, Mrs. RuthAnn McCay is an avid square-dancing fan, and also actively involved coaching the girls' basketball team. Miss Regina Chassard spends a great deal of her free time coaching the field hockey and softball teams in addition to all her teaching duties.

Raymond Nunamaker, Gary Thorne, and Anthony Relvas take over the boys' active gym classes. Mr. Nunamaker also coaches and encourages the wrestling team while Mr. Relvas, who is our varsity basketball coach, also is concerned with the safety of our student drivers.

Mrs. McCay, Mr. Thorne, and Mr. Nunamaker also teach the required courses in health education.

2. Raymond Nunamaker
3. Ruth Ann McCay
4. Gary Thorne
5. Anthony Relvas

It is certainly no problem to spot Jeffrey Spangler towering over a crowd. Mr. Spangler was never a problem to find on the football field either, as he assisted coaching the junior varsity team on to their 8-1 season.

Extremely busy this year organizing and expanding the color guard squad, Mr. Philip George spent early pre-dawn hours with the band out on the football field preparing for half-time shows and competitions.

At any time throughout the year our choruses can be congratulated for another one of their very fine musical presentations and assemblies, thanks to Mr. William Hamilton's hard work.

Catherine Kunkel and Patricia Auerbach of our home economics department spend every other Wednesday evening advising the girls enrolled in the Future Homemakers of America Club. Along with this, they spend patience and endurance with the boys in the popular Bachelor Living class.

Being able to communicate our ideas to others is one of the most important activities in our everyday life. What better way to do this but through the teaching methods of our dedicated language department.

Barbara Taylor, a first-year teacher, is quiet but proves to be very helpful. She has chosen to take on the task of teaching two subjects, German and English, but says that she enjoys the variety which this situation offers. When asked for any impressions NAHS has conveyed, Ms. Taylor says that she likes the students and is very impressed with the faculty and administration.

Trying to cope with Sophomore English may not be the easiest task in the world, but when you've got to adjust to your teacher's new name things can get a bit confusing. Mrs. Yvonne Relvas is a Penn State graduate who has been teaching here at NASHS for three years.

English 11 just wouldn't be English 11 without Miss Marie Voronkevich there to teach it. Who can forget trying to struggle with Macbeth or grasping the philosophies of Ancient Foundations? And those of us who had speech class will never forget trying to overcome the fear of speaking before the class.

Not only is John P. Cokefair our dedicated Senior English teacher, he is also assistant coach to the J.V. football team. Mr. Cokefair can also be found at some time throughout the year directing both the Senior Class and Dramatic Club plays.

Also aiding the seniors in their quest for more knowledge in the subject of English is Peter Newman. Not only active in classes, he is also the Ski Club adviser.

GERMAN AND FRENCH CLASSES RECEIVE GO-AHEAD TO VISIT EUROPE

Presently relinquishing her job as an English teacher is Mrs. Sharon Adams. When our previous librarian took a leave of absence, Mrs. Adams promptly filled the empty position. Many students feel she has done a fine job in promoting the facilities of the Learning Resource Center.

Known for his magnificent coaching of the Blue Eagle football team, James Evanko is also a dedicated member of the English Department. He is interested in developing physical stamina among the team and helps young sophomore minds develop culturally.

If it weren't for the varied skills of Alan Miller, our audio-visual coordinator, many of our classes would continue to feature lectures and the reading of text books. Also in charge of the Theater Arts Department, Mr. Miller offers young talent a chance to develop and acquaints students with behind-the-scene happenings of taping a television show.

A new experience for the Foreign Language Department was the trip to Europe. Dolores Corradetti, a third-year German teacher, accompanied her students on the trip which covered France, Switzerland, and Germany. She is always encouraging her classes to employ their knowledge of the language during classroom conversations.

Also making the continental scene are Joan Mesko and her French students. Miss Mesko is Chairman of the Language Department and adviser to the Honor Society. She puts in a lot of time and effort into scholastic activities and is always planning some kind of cultural excursion.

MATH AND SCIENCE PROVE TO BE CHALLENGING SUBJECTS

Teaching Modern Topics and Vertebrate Anatomy, Mr. Leonard Bast has a deep interest in the welfare of all students, and can be counted on to see a good side to every decision.

Our smoothly running tutoring program is the result of fine planning by Francis Friedhoff. As teacher of Earth and Space Science, he plans and presents programs in our planetarium.

Although a first-year teacher, Mr. Bernard Hahn, a graduate of the United States Air Force Academy, has a wide range of experience from all over the world.

Along with teaching general science, Miss Michele Parvensky is also assistant coach of the girls' basketball program.

Barbara Saltern, teacher of chemistry, honors chemistry, and applied chemistry, served as adviser to the Scholastic Scrimmage Team. Mrs. Saltern is also a good sport, and will volunteer to help promote skits for pep rallies and Homecoming.

2. Francis Friedhoff
3. Bernard Hahn
4. Michele Parvensky
5. Barbara Saltern

Teaching for the first year at our senior high school, Mrs. Ingrid Simke is, however, a familiar face to most of us. She transferred last year from the junior high school to take over the biology program.

Sherwood Frederick, teacher of geometry, honors geometry, and trig, managed to get through the first year as faculty adviser to the senior class. No one realizes the amount of time and effort which went into that job, but the results were able to speak for themselves.

Barbara Smolowitz replaced Mrs. Dyvonne Nevil early in the year as teacher of analytic geometry, calculus, and algebra. "Good things come in small packages," best describes this petite teacher.

Jerry Treon, assistant football and track coach, handles classes in probability and statistics, elementary functions, and trig.

Guy R. Owens, former football coach and ticket manager for our sporting events, was instrumental in setting up our driver education curriculum.

Ask any student who had Barry Boyer as his teacher in world cultures the first thought that comes to mind about the class, and invariably the answer will be, "American Observers." Mr. Boyer is also our energetic golf coach.

Dale Harrison, also a social studies teacher, finds an outlet for male chauvenism serving as a life guard during summer vacation. Mr. Harrison is frequently found working out in the gym.

Daniel Kemeter, our successful and excitable junior varsity basketball coach, manages to build up rivalry within his department with equally determined Miss Van Soest. They can frequently be found battling over the power of the sexes.

Ronald Lewis, also a social studies teacher, has little free time after fulfilling his duties as assistant head football team and head coach of the track team.

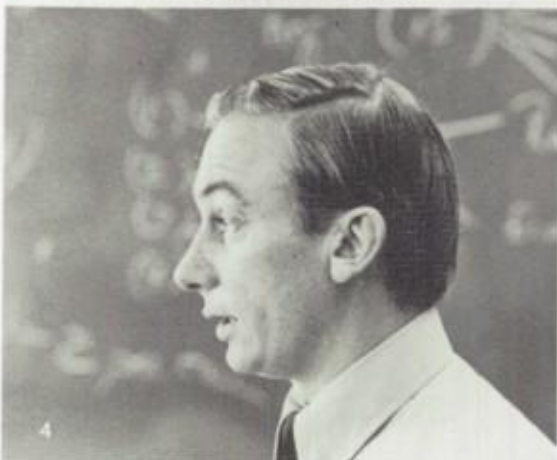

Substituting for Department Chairman Miriam Zell, who with her husband is on sabbatical leave this year, Mrs. Elizabeth Linnemann assisted with the Pep Club.

Handling the huge job of managing all ticket sales for the many social events of the school, including band, choral, and festival programs, Mr. Neil Shook also was instrumental in writing the programs for the new Minicourses which are now part of the social studies program.

Although a first-year teacher, Patti Van Soest brought tremendous experience to Nazareth, for she learned first-hand the operations of our government when she was employed in the office of one of our United States senators. A tremendous personality, and a top-notch teacher with endless energy, Miss Van Soest will be married in July and leave our area. She will be missed.

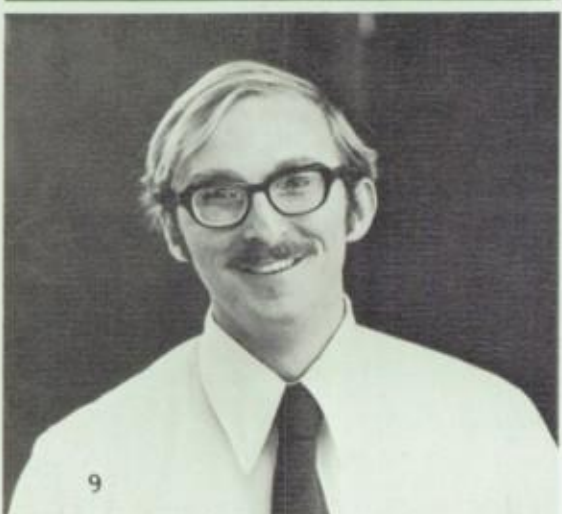

Industrial Arts teacher Andrew Brock whose talents extend beyond the wood shop into gardening, hopes to do some travelling this summer to campgrounds and national parks.

John Roanoke, who runs our popular metals shop, is kept more than busy serving as head baseball coach and assistant football coach.

9. Roy Miller

Here's something that not too many people know about Robert Lichner, head of the fine arts department. Some time ago Mr. Lichner designed a commemorative coin for a Russian truck factory.

David Sestak, also of the art department, spends his spare time becoming involved with the T-Bird Club and Media V.

Before taking a leave of absence in November, Mrs. Frances Larash conducted a class in library science for all sophomores. Its purpose is to get the sophomore students acquainted with the library so it can be used more advantageously.

After serving a hitch in the United States Navy, Mr. Donald Frederick continued his education at Shippensburg College and has completed his first-year of teaching business mathematics.

Mrs. Virginia Graver has retired as business education teacher after serving 28 years as teacher of shorthand and office practice.

A. Jane Jarrett who teaches a variety of business subjects including typing, record keeping, and general business, is also adviser to the sophomore class and the honor society. Next year she will again take on the tremendous task of managing the magazine campaign.

Not busy enough with teaching shorthand and office practice, we wonder how many hours Miss Evelyn Kilpatrick spends assisting with the music program in her church. Miss Kilpatrick also serves as adviser to the Gleam and the senior class booklet.

Chairlady of the business education department, Belva Kolessar initiated the new clerical skills laboratory program. Our yearbook adviser, Mrs. Kolessar is heard at least once every day threatening, "We have a deadline coming up soon!"

Teaching Bookkeeping I and II and also business law, Roy Miller is completing his fourth year as teacher in the business education department.

SPECIAL STAFF KEEPS OUR SCHOOL CLEAN; OUR STUDENTS WELL FED

Lunchtime, in spite of what anyone says, has got to be the best 20 minutes of every day for both students and teachers. Our cafeteria staff puts endless time and effort into preparing meals which, hopefully, satisfy the appetites of everyone. They also take the time to prepare refreshments for various organizations which hold meetings in the building.

Though the members of the staff receive many criticizing comments about the lunches, they are generally good natured and cheerful toward the students.

CAFETERIA STAFF—FRONT ROW: Claire Bush, Anna Bealer, Fern Ruppert, Barbra Sipler, Lillie Burnell. BACK ROW: Olive Kratz, Mabel Graf, Anthonina Overhold, Joan Nagle, Evelyn Shankweiler, Pearl Bitz, Thelma Crush.

DAY CUSTODIANS William Smith, Charles Diener, Granville Klein.

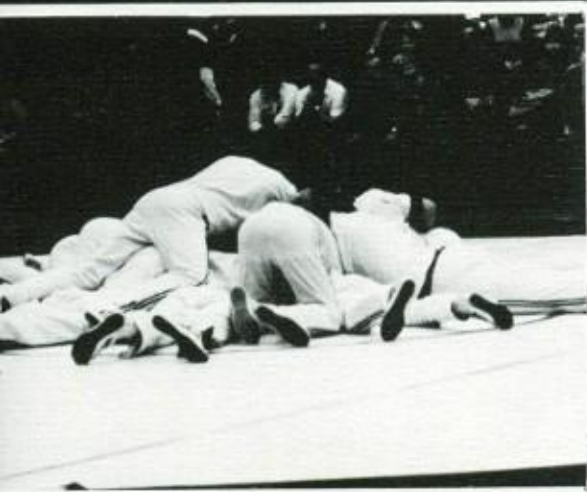

ABOVE: HOUSEKEEPERS—Nettie Hahn, Zena Bath, Sandy Mease, Mabel Wambold, Julia Hilliard.
CENTER: NIGHT CUSTODIANS—Allen Lilly, Willis Keck, Sherwood Morris.

Joining our dedicated cafeteria staff is a group of hard-working custodians and housekeepers. During the day, our custodians can be found mowing the lawn, mopping the halls, repairing broken fixtures, and chatting with the students.

Our housekeepers are very seldom seen, but the service they perform is also greatly appreciated. They play a large part in making our school comfortable and attractive.

FRIENDSHIP FRIENDSHIP FRIENDSHIP

Twelve years of school was a long time when you look back at it. Friends were made and friends were lost. New faces were coming and going every day. Many times people took each other for granted, but as the end came near we realized what it was all about.

Friendship was a possession which most of us cherished. We realized that soon we would be together no longer as a group. Sure some of us would attend college together, and others would try to keep old ties, but times change and people drift.

The doors were open and people were leaving, but no matter how many friends we keep or lose, the memories are always here, and we can

PRIDE PRIDE PRIDE

Time has come to leave the place which has held three years of our lives. Maybe it wasn't so long after all.

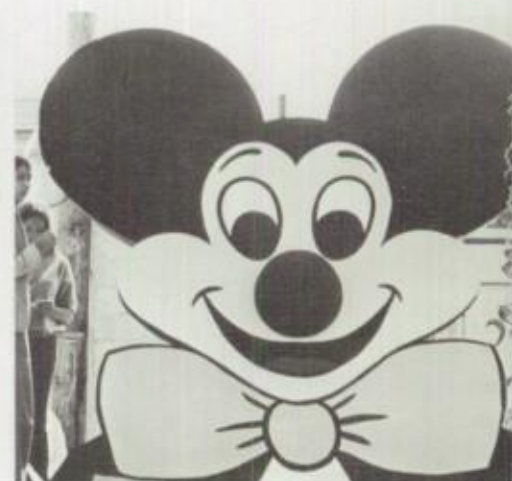

Sure, the memories will always be there, along with the feeling of accomplishments, but the one thing which will stay with us for the rest of our lives is our PRIDE.

Pride at having a winning season! Pride of getting good grades! Pride of being a part of our student body and school activities. Pride which makes us sing our Alma Mater with great defiance.

These are the things which make high school great. Who can ever deny never having had any pride when goose bumps appeared on arms and tears appeared in eyes as the seniors sang the Alma Mater together for the last time.

It is all these things coupled with the thought of leaving a part of our lives behind that, in the future, we will be able to say it is with pride that we
